Knoxville Utilities Board

June 11, 2021

Knoxville Utilities Board
445 S. Gay Street
Knoxville, Tennessee 37902-1109

Commissioners:

The June 17 Board meeting agenda includes consideration of the following official action items: (i) a proposed 2% water rate increase on second and final reading; (ii) a resolution authorizing KUB to provide broadband services and requesting City Council authorization for KUB to provide broadband services, pursuant to state law and otherwise applicable law; (iii) a resolution authorizing the establishment of a community low-income internet program and requesting City Council approval of an interlocal cooperation agreement between KUB and the City for the purpose of the City providing funding for the community low-income internet program.

An overview of each official action item is provided below:

Resolution 1434 (Second Reading)

Resolution 1434 replaces the existing rate schedules of the Water Division to provide for a 2% increase in water rates and include language allowing for future billings to water system customers to be in gallons, as applicable. The resolution also amends the rate schedules of the Wastewater Division to include language that would permit future billings to wastewater system customers to be in gallons, as applicable.

Resolution 1434 was approved on the first of two readings at the Board's May 20 meeting. If approved on second and final reading, the proposed 2% water rate increase would go into effect on July 1, 2021 and be reflected on customers' bills beginning in August 2021.

A copy of Resolution 1434 is enclosed for your information. I recommend its approval on second and final reading.

Resolution 1439

Resolution 1439 authorizes KUB to provide broadband services to the fullest extent permitted by Tennessee Code Annotated, Title 7, Chapter 52, Part 6, and otherwise applicable law, and requests City Council authorize KUB to provide broadband services to the fullest extent permitted by Tennessee Code Annotated, Title 7, Chapter 52, Part 6, and otherwise applicable law.

As you know, KUB previously performed a broadband feasibility study and conducted a customer survey, which indicated the need for higher-speed symmetrical internet service in KUB's electric service territory, including Knoxville, Knox County, and parts of six surrounding counties. KUB's electric service territory includes several rural areas, where internet service is limited in both availability and speed. The survey also indicated our customers' desire for KUB to enter the broadband services market.

In response to these findings, KUB developed a Fiber to the Home Business Plan ("Business Plan") for the provision of fiber-optic high-speed broadband services, including cable television, internet service, and other related services, within its electric service territory. Pursuant to Resolution 1433 adopted by the Board on March 11, 2021, the Business Plan was submitted to the Office of the Comptroller of the Treasury for the State of Tennessee for review, as required by state law. In its written analysis of the Business Plan, the Office of the Comptroller determined the Business Plan to be financially feasible. Pursuant to its power supply contract with TVA, KUB also submitted the Business Plan and supporting information to TVA for approval. In its approval of the Business Plan, TVA found no cross subsidization exists between KUB's Electric Division and Fiber Division and found the Business Plan to present low risk to KUB's electric ratepayers.

Pursuant to Resolution 1438 adopted by the Board on May 20, 2021, the Board held a public hearing on May 26, 2021, on KUB's intent to provide broadband services. Including comments received at the public hearing and through other means, there has been overwhelming support for KUB entering the broadband services market. A compilation of all comments received from customers on this topic has been shared with you separately.

In consideration of the foregoing, Resolution 1439 has been prepared, authorizing KUB to provide broadband services to the fullest extent permitted by law, and requesting City Council to authorize KUB to provide broadband services to the fullest extent permitted by law.

If Resolution 1439 is approved by the Board on first and final reading, KUB will request City Council authorization at Council's meeting on June 29, 2021.

A draft of Resolution 1439, including the proposed City Council resolution, is enclosed for your information. I recommend its approval on first and final reading.

Resolution 1440

Resolution 1440 authorizes the establishment of a community low-income internet program to be administered by KUB to serve eligible low-income households in KUB's broadband service territory. Resolution 1440 also requests City Council authorize the City to enter into an interlocal cooperation agreement with KUB for the purpose of providing funding for KUB's community low-income internet program for eligible low-income households within the jurisdictional limits of the City.

If KUB is authorized to enter the broadband services market by the Board and City Council, Staff is recommending KUB establish a community low-income internet program to serve eligible low-income households in KUB's broadband service territory with funding provided by both public and private sources.

If so authorized, the anticipated effective date of the program would be July 1, 2022, although benefits payable on behalf of eligible low-income households may commence later based on availability of KUB broadband internet service and availability of funding.

The community low-income internet program would be administered by KUB with low-income eligibility to be determined in cooperation with the City and other potential funders.

Resolution 1440 also authorizes KUB to enter into separate interlocal cooperation agreements with the City, and other local governmental entities who may wish to do so, for the purpose of providing funding for the community low-income internet program.

A draft of Resolution 1440, including the proposed City Council resolution, is also enclosed for your information. I recommend its approval on first and final reading.

RESOLUTION NO. 1434

A Resolution Replacing the Existing Rate Schedules of the Water Division, and Amending Certain Rate Schedules of the Wastewater Division as Previously Established by Resolution 1060 as Heretofore Amended

This Resolution Replaces the Existing Rate Schedules of the Water Division, Providing for a Rate Increase for the Water Division Effective July 1, 2021

This Resolution Amends the Existing Rate Schedules, Wastewater General Service - Residential, Wastewater General Service - Nonresidential, and Schedule E – Wholesale Wastewater Treatment, of the Wastewater Division Effective July 1, 2021

Whereas, by the provisions of the Charter of the City of Knoxville, Tennessee (the "City"), the management and operation of both the City's water distribution and treatment system and the City's wastewater collection and treatment system have been placed under the jurisdiction of the Board of Commissioners (the "Board") of the Knoxville Utilities Board ("KUB"); and

Whereas, the Board previously adopted Resolution 1060, as heretofore amended, providing rate schedules for the Water and Wastewater Divisions of KUB; and

Whereas, the Board previously recognized the need for a strategic long-term solution to the issue of aging infrastructure, and has directed and reaffirmed KUB's comprehensive maintenance and replacement programs, referred to as Century II, for all divisions, including the Water Division; and

Whereas, the Board previously endorsed long-term funding plans for all divisions, including the Water Division, providing financial support for Century II in support of safe, reliable, and affordable utility services for current and future generations of KUB customers; and

Whereas, a previously planned rate increase for the Water Division was deferred due to the global pandemic; and

Whereas, at the Board's financial workshop on April 15, 2021, staff reviewed the ten-year funding plan for the Water Division which included a 2% rate increase for fiscal year 2022; and

Whereas, the Board has determined, based on the projected level of expenditures for the Water Division that the proposed rate increase is necessary to provide additional revenue to support the needed level of investment in infrastructure maintenance and replacement for the water system; and

Whereas, to provide billing flexibility, KUB staff has recommended adding language to the rate schedules of the Water and Wastewater Divisions regarding the conversion factor required to convert one hundred cubic feet (“Ccf”) to gallons; and

Whereas, in accordance with Section 1107(F) of the Charter of the City, the Board is required to set rates for water service sufficient to pay all obligations of the Water Division; and

Whereas, in accordance with Section 1107(H) of the Charter of the City, the Board is required to set rates for wastewater service sufficient to pay all obligations of the Wastewater Division; and

Whereas, in accordance with Section 1107(L) of the Charter, KUB has provided the required public notice of not less than five (5) days prior to a meeting of the Board when a rate change is to be considered.

Now, Therefore, Be It Hereby Resolved by The Board of Commissioners of The Knoxville Utilities Board:

Section 1. That all existing rate schedules of the Water Division as set forth in Section 3 of Resolution No. 1060, as heretofore amended, are hereby deleted in their entirety and replaced with the rate schedules of the Water Division as set forth in Exhibit A to the Resolution, to be effective July 1, 2021.

Section 2. That the Wastewater Division Rate Schedules entitled WASTEWATER GENERAL SERVICE – RESIDENTIAL RATE SCHEDULE, and WASTEWATER GENERAL SERVICE – NONRESIDENTIAL RATE SCHEDULE as set forth in Section 4 of Resolution No. 1060, as heretofore amended, are hereby amended by inserting into the “Rate” section the following language: “KUB may, at its sole discretion, bill wastewater using the same rates converted to a rate per gallon for usage measured in gallons: 1 Ccf equals 748 gallons.” to be effective July 1, 2021.

Section 3. That the Wastewater Division Rate Schedule entitled SCHEDULE E – WHOLESale WASTEWATER TREATMENT as set forth in Section 4 of Resolution No. 1060, as heretofore amended, is amended by inserting into the “Rate” section the following language: “KUB may, at its sole discretion, bill wastewater using the same rates converted to a rate per Ccf for usage measured in Ccf: 1 Ccf equals 748 gallons.” to be effective July 1, 2021.

1. Establishment of the Community Low-Income Internet Program. The City and KUB hereby agree that KUB shall establish the Community Low-Income Internet Program (the "Program") to provide for broadband internet service for eligible low-income households.

2. City Funding. Pursuant to the establishment of the Program by KUB, and subject to the terms and conditions set forth in this Agreement, the City shall make annual funding contributions to the Program commencing with the Effective Date of the Program, for the sole purpose of paying for internet service for eligible low-income households receiving broadband services from KUB and located within the jurisdictional limits of the City.

3. Program Effective Date. The Effective Date of the Community Low-Income Internet Program shall be July 1, 2022, although benefits payable on the behalf of eligible low-income households within the jurisdictional limits of the City may commence later based on availability of KUB broadband internet service and availability of funding subject to the terms and conditions of this Agreement.

4. Program Eligibility. The Program shall serve residential households served by KUB broadband internet service meeting certain low-income criteria as determined by KUB, although the City and KUB shall work together in good faith to determine eligibility criteria for the use of funds provided by the City.

5. Determination of Annual Funding Contribution. For each fiscal year commencing on or after the Effective Date, KUB, in coordination with the City's Chief Financial Officer, shall work together in good faith to determine the amount of the City's annual funding contribution ("Annual Contribution") to the Program. The Annual Contribution shall take into consideration relevant factors including but not limited to the following: Program funding requirements for low-income households enrolled in the Program and located within the jurisdictional limits of the City; amount of in-lieu-of-tax payments received by the City from KUB attributable to KUB's entry into the broadband services market; and any other relevant financial impacts or resources pertaining to KUB's entry into the broadband services market as agreed upon by the City and KUB.

For each fiscal year commencing on or after the Effective Date, the Annual Contribution, if any, will be made by the City to KUB no less than ninety (90) days after the beginning of each fiscal year. In the event the City needs to make the Annual Contribution after ninety (90) days, the parties will work together to determine an appropriate date.

7. Segregation of Funds. The parties agree that all Program funding contributions received by KUB from the City shall be segregated from all other KUB funds and shall be held by KUB in a separate bank account established exclusively for the administration of the Program.

8. Auditing of the Program. The Program shall be subject to an annual audit as part of KUB's annual financial audit conducted by an independent certified public accounting firm. Any findings related to the Program resulting from the annual audit shall be promptly communicated to the Mayor of the City. The City retains the right to commission an additional independent audit of the Program.

9. Annual Reporting. KUB shall provide the City with an annual report on the Community Low-Income Internet Program no less than ninety (90) days after the end of KUB's fiscal year, provided such reporting shall commence with the fiscal year in which the initial annual funding contribution for the Program is received from the City.

10. Term. The initial term of this Agreement shall commence on the Effective Date and expire on the date that is ten (10) years after the Effective Date. Thereafter, this Agreement shall automatically renew for a period of one (1) year on each anniversary of the Effective Date, unless either party provides the other party

The Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

No amendment, modification, or alteration to this Agreement shall be valid or enforceable nor shall any waiver of any provision be effective unless such amendment, modification, or alteration is approved, in writing, by the governing body of the parties hereto. The amendment of any agreement between the parties hereto and any other person or entity which deletes, alters, or amends a provision in such agreement relating to the rights of any other party hereto without the prior, written consent of such party to such amendment shall constitute a breach of this Interlocal Agreement.

Knoxville Utilities Board

May 14, 2021

Knoxville Utilities Board
445 S. Gay Street
Knoxville, Tennessee 37902-1109

Commissioners:

As discussed at the budget workshop in April, the May 20 Board meeting agenda includes official action items for proposed budget and commitment appropriations for fiscal year 2022, authorization to issue up to \$12 million in new wastewater bonds, and several rate action recommendations, including a proposed 2% water rate increase for fiscal year 2022. An additional action item is a resolution calling a public hearing on KUB's intent to provide broadband services.

An overview of each official action item is provided below:

Resolution 1434

Resolution 1434 replaces the existing rate schedules of the Water Division to provide for a 2% increase in water rates and include language allowing for future billings to water system customers to be in gallons, as applicable. The resolution also amends the rate schedules of the Wastewater Division to include language that would permit future billings to wastewater system customers to be in gallons, as applicable.

Resolution 1434 requires two readings. If approved on first reading at the May 20 meeting, we anticipate second reading would occur at the June 17 meeting.

If approved on two readings, the proposed 2% water rate increase would go into effect on July 1, 2021 and be reflected on customers' bills beginning in August 2021.

Resolution 1435

Resolution 1435 requests City Council approval for the issuance of up to \$12 million in revenue bonds for the Wastewater Division.

The proceeds of the bonds will be used to help fund wastewater system capital improvement programs in fiscal year 2022 and cover issuance costs and underwriter fees. A summary of the major provisions of the proposed City Council bond resolution is enclosed for your information.

Resolution 1436

Resolution 1436 adopts budget appropriations for fiscal year 2022 totaling \$933.7 million, including \$595.9 million for the Electric Division, \$131.4 million for the Gas Division, \$78.7 million for the Water Division, and \$127.7 million for the Wastewater Division.

The proposed budget request provides \$463.6 million for wholesale energy purchases, \$167.1 million for operating and maintenance expenditures, \$177.7 million for system capital investments, \$83.7 million for debt service payments, and \$41.6 million for taxes and tax equivalent payments. Senior Vice President and Chief Financial Officer Mark Walker has prepared a letter certifying the availability of funds for the proposed budget.

A white paper on the proposed budget for fiscal year 2022 is also enclosed for your information.

Resolution 1437

Resolution 1437 adopts commitment appropriations for fiscal year 2022. The resolution authorizes KUB to execute contracts and incur obligations on or before June 30, 2022, that commit KUB to expenditures after June 30, 2022. The commitments total \$101.1 million, including \$23.4 million for the Electric Division, \$12.3 million for the Gas Division, \$43 million for the Water Division, and \$22.4 million for the Wastewater Division. Mr. Walker has also prepared a letter certifying the availability of funds for the commitment appropriations.

Resolution 1438

Resolution 1438 acknowledges the Board's consideration of comments from the Office of the Comptroller of the Treasury for the State of Tennessee on KUB's Fiber to the Home Business Plan and calls for a public hearing on KUB's intent to provide broadband services.

You will recall the Board previously authorized KUB to submit a Fiber to the Home Business Plan to the Comptroller for review. On May 11, KUB received a favorable response from the Comptroller, indicating KUB's Business Plan is feasible and may proceed. A copy of the correspondence received from the Comptroller is enclosed for your review. Pursuant to our power supply contract with TVA, KUB was also required to submit a business plan to TVA for approval. TVA's formal approval of the business plan was received earlier this week.

In accordance with state law, the next step is for the Board to hold a public hearing on KUB's intent to provide broadband services. Resolution 1438 calls for the public hearing to be held on May 26, 2021 at 6:00 p.m. at the Knoxville Expo Center Grande Event Center located at 5441 Clinton Highway. The full public notice of the meeting is attached as an exhibit to Resolution 1438.

As you know, this is not the final step in the approval process. After the public hearing, the Board is required to adopt a resolution authorizing KUB to provide broadband services and requesting City Council approval.

Drafts of Resolutions 1434, 1435, 1436, 1437 and 1438 are enclosed for your review. I recommend the adoption of Resolutions 1435, 1436, 1437, and 1438 on first and final reading, and Resolution 1434 on first reading.

Respectfully submitted,

RESOLUTION NO. 1434

A Resolution Replacing the Existing Rate Schedules of the Water Division, and Amending Certain Rate Schedules of the Wastewater Division as Previously Established by Resolution 1060 as Heretofore Amended

This Resolution Replaces the Existing Rate Schedules of the Water Division, Providing for a Rate Increase for the Water Division Effective July 1, 2021

This Resolution Amends the Existing Rate Schedules, Wastewater General Service - Residential, Wastewater General Service - Nonresidential, and Schedule E – Wholesale Wastewater Treatment, of the Wastewater Division Effective July 1, 2021

Whereas, by the provisions of the Charter of the City of Knoxville, Tennessee (the "City"), the management and operation of both the City's water distribution and treatment system and the City's wastewater collection and treatment system have been placed under the jurisdiction of the Board of Commissioners (the "Board") of the Knoxville Utilities Board ("KUB"); and

Whereas, the Board previously adopted Resolution 1060, as heretofore amended, providing rate schedules for the Water and Wastewater Divisions of KUB; and

Whereas, the Board previously recognized the need for a strategic long-term solution to the issue of aging infrastructure, and has directed and reaffirmed KUB's comprehensive maintenance and replacement programs, referred to as Century II, for all divisions, including the Water Division; and

Whereas, the Board previously endorsed long-term funding plans for all divisions, including the Water Division, providing financial support for Century II in support of safe, reliable, and affordable utility services for current and future generations of KUB customers; and

Whereas, a previously planned rate increase for the Water Division was deferred due to the global pandemic; and

Whereas, at the Board's financial workshop on April 15, 2021, staff reviewed the ten-year funding plan for the Water Division which included a 2% rate increase for fiscal year 2022; and

Whereas, the Board has determined, based on the projected level of expenditures for the Water Division that the proposed rate increase is necessary to provide additional revenue to support the needed level of investment in infrastructure maintenance and replacement for the water system; and

Whereas, to provide billing flexibility, KUB staff has recommended adding language to the rate schedules of the Water and Wastewater Divisions regarding the conversion factor required to convert one hundred cubic feet (“Ccf”) to gallons; and

Whereas, in accordance with Section 1107(F) of the Charter of the City, the Board is required to set rates for water service sufficient to pay all obligations of the Water Division; and

Whereas, in accordance with Section 1107(H) of the Charter of the City, the Board is required to set rates for wastewater service sufficient to pay all obligations of the Wastewater Division; and

Whereas, in accordance with Section 1107(L) of the Charter, KUB has provided the required public notice of not less than five (5) days prior to a meeting of the Board when a rate change is to be considered.

Now, Therefore, Be It Hereby Resolved by The Board of Commissioners of The Knoxville Utilities Board:

Section 1. That all existing rate schedules of the Water Division as set forth in Section 3 of Resolution No. 1060, as heretofore amended, are hereby deleted in their entirety and replaced with the rate schedules of the Water Division as set forth in Exhibit A to the Resolution, to be effective July 1, 2021.

Section 2. That the Wastewater Division Rate Schedules entitled WASTEWATER GENERAL SERVICE – RESIDENTIAL RATE SCHEDULE, and WASTEWATER GENERAL SERVICE – NONRESIDENTIAL RATE SCHEDULE as set forth in Section 4 of Resolution No. 1060, as heretofore amended, are hereby amended by inserting into the “Rate” section the following language: “KUB may, at its sole discretion, bill wastewater using the same rates converted to a rate per gallon for usage measured in gallons: 1 Ccf equals 748 gallons.” to be effective July 1, 2021.

Section 3. That the Wastewater Division Rate Schedule entitled SCHEDULE E – WHOLESAL WASTEWATER TREATMENT as set forth in Section 4 of Resolution No. 1060, as heretofore amended, is amended by inserting into the “Rate” section the following language: “KUB may, at its sole discretion, bill wastewater using the same rates converted to a rate per Ccf for usage measured in Ccf: 1 Ccf equals 748 gallons.” to be effective July 1, 2021.

(ii) if the Series 2021B Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Series 2021B Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 9 hereof, KUB is authorized to sell each of the Series 2021B Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by KUB. In the event any or all of the Series 2021B Bonds are sold as term bonds, KUB shall redeem such term bonds on redemption dates corresponding to the maturity dates set forth in the award resolution or certificate awarding the Series 2021B Bonds, in amounts so as to achieve an amortization of the indebtedness approved by the Board or the President and Chief Executive Officer of KUB as its designee. DTC, as Depository for the Series 2021B Bonds, or any successor Depository for the Series 2021B Bonds, shall determine the interest of each Participant in the Series 2021B Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as Depository for the Series 2021B Bonds, the Series 2021B Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, KUB may (i) deliver to the Registration Agent for cancellation Series 2021B Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Series 2021B Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than

through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Series 2021B Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of KUB on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Series 2021B Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. KUB shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Series 2021B Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Series 2021B Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to affect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Series 2021B Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the of Series 2021B Bonds, as and when above provided, and neither KUB, the City, nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices, in the case of term bonds with mandatory redemption requirements as and when provided herein and in the Series 2021B Bonds and, in the case of optional redemption, as and when directed by the Board pursuant to written instructions from an authorized representative of the Board given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Series 2021B Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the City or KUB to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

(e) The Series 2021B Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the City with the manual or facsimile signature of the Chair of the Board and attested by the manual or facsimile signature of the Secretary of the Board.

(f) The City hereby authorizes and directs the Board to appoint a Registration Agent and paying agent for the Series 2021B Bonds, and the Registration Agent so appointed is authorized and directed to maintain Bond registration records with respect to the Series 2021B Bonds, to authenticate and deliver the Series 2021B Bonds as provided herein, either at original issuance, upon transfer, or as otherwise directed by the Board, to effect transfers of the Series 2021B Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Series 2021B Bonds as provided herein, to cancel and destroy Series 2021B Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish KUB at least

annually a certificate of destruction with respect to Series 2021B Bonds canceled and destroyed, and to furnish KUB at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Series 2021B Bonds. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed. The Board hereby delegates to the President and Chief Executive Officer of KUB the authority to select and appoint the Registration Agent and any paying agents for the Series 2021B Bonds (as well as any successors to any of the foregoing). The Chair of the Board is hereby authorized to execute and the Secretary of the Board is hereby authorized to attest such written agreement between KUB and the Registration Agent as they shall deem necessary or proper with respect to the obligations, duties and rights of the Registration Agent.

(g) The Series 2021B Bonds shall be payable, principal and interest, in lawful money of the United States of America at the designated trust office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Series 2021B Bonds on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such Series 2021B Bonds, and all such payments shall discharge the obligations of KUB in respect of such Series 2021B Bonds to the extent of the payments so made. Payment of principal of the Series 2021B Bonds shall be made upon presentation and surrender of such registered Series 2021B Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Series 2021B Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Series 2021B Bonds, payment of interest on such Series 2021B Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(h) Any interest on any Series 2021B Bond which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid to the persons in whose names the Series 2021B Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: KUB shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Series 2021B Bond and the date of the proposed payment, and at the same time KUB shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section 4 provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify KUB of such Special Record Date and, in the name and at the expense of KUB, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section 4 or in any of the Series 2021B Bonds shall impair any statutory or other rights in law or in equity

of any registered owner arising as a result of the failure of KUB to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on any of the Series 2021B Bonds when due.

(i) The Series 2021B Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Series 2021B Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Series 2021B Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Series 2021B Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Series 2021B Bond or Series 2021B Bonds to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Series 2021B Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Series 2021B Bond, nor to transfer or exchange any Series 2021B Bond after notice calling such Series 2021B Bond for redemption has been made, nor to transfer or exchange any Series 2021B Bond during the period following the receipt of instructions from KUB to call such Series 2021B Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Series 2021B Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Series 2021B Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither KUB nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Series 2021B Bonds shall be overdue. Series 2021B Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of Series 2021B Bonds of the same maturity in any authorized denomination or denominations. This subsection shall be applicable only if the Series 2021B Bonds are no longer held by a Depository, and as long as the Series 2021B Bonds are held by a Depository, transfers of ownership interests in the Series 2021B Bonds shall be governed by the rules of the Depository.

(j) Except as otherwise authorized herein, the Series 2021B Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as the Depository for the Series 2021B Bonds except as otherwise provided herein. References in this Section 4 to a Series 2021B Bond or the Series 2021B Bonds shall be construed to mean the Series 2021B Bond or the Series 2021B Bonds that are held under the Book-Entry System. One Series 2021B Bond for each maturity of the Series 2021B Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC, and the Series 2021B Bond will be immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Series 2021B Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Series 2021B Bonds. Beneficial ownership interests in the Series 2021B Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Series 2021B Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Series 2021B Bonds. Transfers of ownership interests in the Series 2021B Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE SERIES 2021B BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE SERIES 2021B BONDS FOR ALL

PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2021B BONDS, RECEIPT OF NOTICES, VOTING AND TAKING OR NOT TAKING, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Series 2021B Bonds, so long as DTC is the only owner of the Series 2021B Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Series 2021B Bonds from the City, acting by and through KUB, and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. Neither the City, KUB nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as Depository for the Series 2021B Bonds or (2) to the extent permitted by the rules of DTC, the Board determines to discontinue the Book-Entry System, the Book-Entry System with DTC shall be discontinued. If the Board fails to identify another qualified securities depository to replace DTC, the Board shall cause the Registration Agent to authenticate and deliver replacement Series 2021B Bonds in the form of fully registered Series 2021B Bonds to each Beneficial Owner.

NEITHER THE CITY, KUB NOR THE REGISTRATION AGENT SHALL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE SERIES 2021B BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2021B BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2021B BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

If the purchaser or Underwriter certifies that it intends to hold the Series 2021B Bonds for its own account, then the City may issue, acting by and through KUB, certificated Bonds without the utilization of DTC and the Book-Entry System.

(k) In case any Series 2021B Bond shall become mutilated, or be lost, stolen, or destroyed, the City, acting by and through KUB, in its discretion, shall issue, and the Registration Agent, upon written direction from KUB, shall authenticate and deliver, a new Series 2021B Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Series 2021B Bond, or in lieu of and in substitution for such lost, stolen or destroyed Series 2021B Bond, or if any such Series 2021B Bond shall have matured or shall be about to mature, instead of issuing a substituted Series 2021B Bond KUB may pay or authorize payment of such Series 2021B Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to KUB and the Registration Agent of the destruction, theft or loss of such Series 2021B Bond, and indemnity satisfactory to KUB and the Registration Agent; and KUB may charge the applicant for the issue of such new Series 2021B Bond an amount sufficient to reimburse KUB for the expense incurred by it in the issue thereof.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Series 2021B Bonds to DTC, on behalf of the initial purchaser thereof, or an agent of DTC, upon receipt by KUB of the proceeds of the sale thereof and, subject to the rules of the Depository, to authenticate and deliver Series 2021B Bonds in exchange for Series 2021B Bonds of the same principal amount delivered for transfer upon receipt of the Series 2021B Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Series 2021B Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an authorized representative thereof on the certificate set forth herein on the Series 2021B Bond form.

(m) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Series 2021B Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Series 2021B Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Series 2021B Bonds and provision of notices with respect to Series 2021B Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the Beneficial Owners of the Series 2021B Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section 4.

Section 5. Source of Payment. The Series 2021B Bonds shall be payable solely from and be secured by a pledge of the Net Revenues of the System as hereinafter provided and as provided in the 1990 Resolution on a parity and equality of lien with the Outstanding Bonds. The punctual payment of principal of and interest on the Series 2021B Bonds, the Outstanding Bonds, and any Parity Bonds shall be secured equally and ratably by the Net Revenues of the System without priority by reason of series, number or time of sale and delivery. The owners of the Series 2021B Bonds shall have no recourse to the power of taxation of the City.

Section 6. Form of Series 2021B Bonds. The Series 2021B Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Series 2021B Bonds are prepared and delivered:

KNOW ALL PERSONS BY THESE PRESENTS: That the City of Knoxville, a municipal corporation lawfully organized and existing in Knox County, Tennessee (the "City"), acting by and through the Knoxville Utilities Board ("KUB"), for value received hereby promises to pay to the

registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth, or upon earlier redemption, as set forth herein, and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on April 1, 2022, and semi-annually thereafter on the first day of April and October in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the designated trust office of _____, _____, Tennessee, as registration agent and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond by check or draft on each interest payment date directly to the registered owner hereof shown on the bond registration records maintained by the Registration Agent as of the close of business on the day which is the fifteenth (15th) day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owner at such owner's address shown on said bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the City and KUB to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of and premium, if any, on the Bonds shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A book-entry system (the "Book-Entry System") shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the City, KUB and the Registration Agent shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the City, KUB, nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) to the extent permitted by the rules of DTC, the Board of Commissioners of KUB (the "Board") determines to discontinue the Book-Entry System, the Book-Entry System with DTC shall be discontinued. If the Board fails to identify another qualified securities depository to replace DTC, the Board shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the City, KUB nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the

accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

The Bonds of the issue of which this Bond is one maturing on or before April 1, 2031 shall mature without option of prior redemption. The Bonds maturing on April 1, 2032 and thereafter shall be subject to redemption prior to maturity at the option of the City, acting through the Board, on or after April 1, 2031, as a whole or in part at any time at a redemption price equal to the principal amount plus interest accrued to the redemption date.

[If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Board in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Series Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.]

[Subject to the credit hereinafter provided, the City acting by and through KUB, shall redeem Bonds maturing on the redemption dates set forth below opposite such maturity date, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or any successor Depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and amount of Bonds to be redeemed on said dates are as follows:

| <u>Maturity</u> | <u>Redemption Date</u> | <u>Principal Amount of Bonds to be Redeemed</u> |
|-----------------|----------------------------|---|
|-----------------|----------------------------|---|

*final maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the City, acting through KUB, may (i) deliver to the Registration Agent for cancellation

Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive credit in respect of its redemption obligation under the mandatory redemption provision for any Bonds to be redeemed which prior to said date have been purchased or redeemed (otherwise than by mandatory redemption) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under the mandatory redemption provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of KUB on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of the Bonds to be redeemed by operation of the mandatory redemption provision shall be accordingly reduced. KUB shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this paragraph are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of call for redemption, whether optional or mandatory shall be given by the Registration Agent on behalf of the City, but only upon direction of the Board, not fewer than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to affect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly given as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the City or KUB to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.]

The Bonds of the issue of which this Bond is one are issuable only as fully registered Bonds, without coupons, in the denomination of Five Thousand Dollars (\$5,000) or any authorized integral multiple thereof. At the designated trust office of the Registration Agent, in the manner and subject to the limitations, conditions and charges provided in the Resolution, fully registered Bonds may be exchanged for an equal aggregate principal amount of fully registered Bonds of the same maturity, of authorized denominations, and bearing interest at the same rate. The Bonds shall be numbered consecutively from one upwards and will be made eligible for the Book-Entry System of DTC. Except as otherwise provided in this paragraph and the Resolution, as hereinafter defined, the Bonds shall be registered in the name of Cede & Co. as nominee of DTC. The Board may discontinue use of DTC for Bonds at any time upon determination by the Board that the use of DTC is no longer in the best interest of the beneficial owners of the Bonds. Upon such determination, registered ownership of the Bonds may be transferred on the registration books maintained by the Registration Agent, and the Bonds may be delivered in physical form to the following:

- i. any successor of DTC or its nominee;
- ii. any substitute depository to which the Registration Agent does not unreasonably object, upon (a) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (b) a determination by the Board that DTC or its

successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; or

iii. any person, upon (a) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (b) termination by the Board of the use of DTC (or substitute depository or its successor).

In the event that this Bond is no longer held in a Book-Entry System by DTC, this Bond shall be transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the designated trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denomination or denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the City, KUB nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the Board to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$12,000,000 and issued by the City for the purpose of providing funds to finance the construction of extensions and improvements to the City's wastewater collection and treatment system (the "System"), including the payment of legal, fiscal and administrative costs incident thereto and costs incident to the issuance of the Bonds, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 7-34-101 et seq. and Section 9-21-101 et seq., Tennessee Code Annotated, and pursuant to Resolution No. R-129-90 duly adopted by the City Council of the City on May 15, 1990, as supplemented and amended by Resolution No. R-5-98, Resolution No. R-148-01 and Resolution No. 11-S, and as supplemented by Resolution No. R-____- 2021 duly adopted by the City Council of the City on _____, 2021 and as otherwise supplemented prior to the date hereof (as supplemented and amended, the "Resolution").

This Bond, and interest hereon, are payable solely from and secured by a pledge of the income and the revenues to be derived from the operation of the System, subject to the payment of the reasonable and necessary costs of operating, maintaining, repairing, and insuring the System. The Bonds of the series of which this Bond is one shall enjoy complete parity and equality of lien with the City's outstanding Wastewater System Revenue Bond, Series 2010C (Federally Taxable Build America Bonds), dated December 8, 2010, maturing April 1, 2040, the City's outstanding Wastewater System Revenue Refunding Bonds, Series 2015A, dated May 1, 2015, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2015B, dated May 20, 2015, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2016, dated August 5, 2016, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Refunding Bonds, Series 2017A, dated April 7, 2017, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2017B, dated September 15, 2017, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2018, dated September 14, 2018, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2019, dated August 20, 2019, maturing April 1, 2022 and

thereafter, the City's outstanding Wastewater System Revenue Refunding Bonds, Series 2020A, dated May 22, 2020, maturing April 1, 2022 and thereafter, the City's outstanding Wastewater System Revenue Bonds, Series 2020B, dated October 30, 2020, maturing April 1, 2022 and thereafter, and the City's outstanding Wastewater System Revenue Refunding Bonds, dated April 19, 2021, maturing April 1, 2022 and thereafter (collectively the "Outstanding Bonds") and any bonds or other obligations hereafter issued on a parity therewith. As provided in the Resolution, the punctual payment of principal of, premium, if any, and interest on the series of Bonds of which this Bond is one, the Outstanding Bonds and any other bonds issued on a parity therewith pursuant to the terms of the Resolution shall be secured equally and ratably by said revenues without priority by reason of series, number or time of sale or delivery. The owner of this Bond shall have no recourse to the power of taxation of the City. The Board has covenanted that it will fix and impose such rates and charges for the services rendered by the System and will collect and account for sufficient revenues to pay promptly the principal of and interest on this Bond and the issue of which it is a part, as each payment becomes due. For a more complete statement of the revenues from which and conditions under which this Bond is payable, a statement of the conditions on which obligations may hereafter be issued on a parity with this Bond, the general covenants and provisions pursuant to which this Bond is issued and the terms upon which the Resolution may be modified, reference is hereby made to the Resolution.

Under existing law, this Bond and the income therefrom are exempt from all present state, county and municipal taxation in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on this Bond during the period such Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of this Bond in the Tennessee franchise tax base or any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of either the City or KUB, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the City acting by and through the Board has caused this Bond to be signed by the Chair of the Board by his manual or facsimile signature and attested by the Secretary of the Board by his manual or facsimile signature, all as of the date hereinabove set forth.

Section 9. Sale of Series 2021B Bonds.

(a) The Series 2021B Bonds or any emission thereof may be sold at negotiated sale to the Underwriter or at public sale as determined by the President and Chief Executive Officer of KUB at a price of not less than 98.00% of par, exclusive of original issue discount, plus accrued interest, if any, provided, however, that no emission of Series 2021B Bonds may be sold at negotiated sale unless the Audit and Finance Committee of the Board has previously approved the sale of such emission at negotiated sale. The sale of any emission of the Series 2021B Bonds to the Underwriter or by public sale shall be binding on the City and KUB, and no further action of the Board with respect thereto shall be required.

(b) The President and Chief Executive Officer of KUB, as the designee of the Board, is further authorized with respect to each emission of Series 2021B Bonds to:

- (1) change the dated date to a date other than the date of issuance;
- (2) specify or change the series designation, including any change to reflect whether the Series 2021B Bonds have been previously issued, or change the designation of the Series 2021B Bonds to a designation other than "Wastewater System Revenue Bonds, Series 2021B";
- (3) change the first interest payment date to a date other than April 1, 2022, provided that such date is not later than twelve months from the dated date of such emission of Series 2021B Bonds;
- (4) establish and adjust the principal and interest payment dates and determine maturity or mandatory redemption amounts of the Series 2021B Bonds or any emission thereof, provided that (A) the total principal amount of all emissions of the Series 2021B Bonds does not exceed the total amount of Series 2021B Bonds authorized herein, (B) the final maturity date of each emission shall be not later than April 1, 2051 and (C) the debt service payable in each fiscal year after the completion of the Project shall be approximately level or decreasing;
- (5) (A) modify or remove the optional redemption provisions contained herein, provided that the premium amount to be paid in connection with any redemption provision shall not exceed two percent (2%) of the principal amount thereof and (B) provide for extraordinary optional redemption provisions;

(6) sell the Series 2021B Bonds, or any emission thereof, or any maturities thereof as term bonds with mandatory redemption requirements as determined by the Board, as it shall deem most advantageous to KUB; and

(7) cause all or a portion of the Series 2021B Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company to achieve the purposes set forth herein and to serve the best interests of KUB and to enter into agreements with such insurance company to the extent not inconsistent with this resolution.

(c) If any emission of Series 2021B Bonds is sold at negotiated sale, the President and Chief Executive Officer of KUB is authorized to execute a Bond Purchase Agreement with respect to such emission of Series 2021B Bonds, providing for the purchase and sale of the Series 2021B Bonds, or any emission thereof. Each Bond Purchase Agreement shall be in substantially the form attached hereto as Exhibit A, with such changes as the President and Chief Executive Officer deems necessary or advisable in connection with the sale of such Series 2021B Bonds, provided any such changes are not inconsistent with the terms of this Section 9. If the Underwriter does not intend to reoffer the Series 2021B Bonds to the public, then the Bond Purchase Agreement shall be conformed to reflect such intention. The form of the Series 2021B Bond set forth in Section 6 hereof shall be conformed to reflect any changes made pursuant to this Section 9.

(d) The President and Chief Executive Officer and the Chief Financial Officer of KUB, or either of them, are authorized to cause the Series 2021B Bonds, in book-entry form (except as otherwise authorized herein), to be authenticated and delivered by the Registration Agent to the purchaser(s), and to execute, publish, and deliver all certificates and documents, including an Official Statement, the Bond Purchase Agreement and closing certificates, as they shall deem necessary in connection with the sale and delivery of each emission of the Bonds.

(e) If the Series 2021B Bonds are sold at public sale, the Series 2021B Bonds shall be awarded by the President and Chief Executive Officer of KUB to the bidder that offers to purchase the Bonds for the lowest true interest cost to KUB.

(f) Each emission of Series 2021B Bonds shall be offered for sale as either Federally Tax-Exempt Bonds or as Federally Taxable Bonds as determined by KUB, in consultation with the Financial Advisor, by taking into account which type of Series 2021B Bond will result in the lowest cost to KUB with respect to such emission of Series 2021B Bonds taking into consideration the Direct Payment Credit projected to be received if such emission of Series 2021B Bonds is issued as Federally Taxable Bonds and such other factors affecting the cost of KUB, including redemption provisions relating to each such emission. KUB will cause to be filed with the transcript of proceedings for any emission of Federally Taxable Bonds, a report of the Financial Advisor as to the factors taken into account by the Financial Advisor in recommending that any emission be issued as Federally Taxable Bonds. If issued as Federally Taxable Bonds, the President and Chief Executive Officer of KUB, on behalf of the City and KUB, is directed to make any election required under applicable law to qualify such emission of Bonds for Direct Payment Credits on each interest payment date. KUB is further authorized to submit any required forms to the Internal Revenue Service or other applicable governmental agency for the purpose of receiving the Direct Payment Credit with respect to each interest payment date, or take such other actions required for receipt of the Direct Payment Credit required by the Internal Revenue Service of the United States Treasury or other governmental agency. KUB is authorized to direct the deposit of the Direct Payment Credit as KUB deems appropriate, and such Direct Payment Credits shall be deemed funds of KUB when paid. All decisions by KUB made pursuant to this subsection shall be binding on the City, and no further action of the Governing Body with respect thereto shall be required. The President and Chief Executive

Officer of KUB, as the designee of the Board, is authorized to take all actions required or authorized by this subsection.

Section 10. Disposition of Series 2021B Bond Proceeds. The proceeds of the sale of the Series 2021B Bonds shall be paid to KUB and used and applied by KUB as follows:

(a) All accrued interest, if any, shall be deposited to the Debt Service Fund created under the 1990 Resolution and used to pay interest on the Series 2021B Bonds on the first interest payment date following delivery of the Series 2021B Bonds; and

(b) The remainder of the proceeds of the sale of the Series 2021B Bonds shall be deposited with a financial institution regulated by the Federal Deposit Insurance Corporation or similar federal agency in a special fund known as the "Wastewater System Construction Fund" (the "Construction Fund") to be kept separate and apart from all other funds of KUB. The funds in the Construction Fund shall be disbursed solely to pay the costs of the Project and issuance of the Series 2021B Bonds, including necessary legal, accounting, and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, rating agency fees, Registration Agent fees, and other necessary miscellaneous expenses incurred in connection with the Project and the issuance and sale of the Series 2021B Bonds. Money in the Construction Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in said Construction Fund. Money in the Construction Fund shall be expended only for the purposes authorized by this resolution. Any funds remaining in the Construction Fund after completion of the Project and payment of authorized expenses shall be used to retire Series 2021B Bonds on the earliest possible date. Moneys in the Construction Fund shall be invested as directed by the Chief Financial Officer in such investments as shall be permitted by applicable law. All income derived from such investments shall be deposited to the Construction Fund.

Section 11. Discharge and Satisfaction of Series 2021B Bonds. The Series 2021B Bonds may be defeased, discharged and satisfied at any time as provided in Article XII of the 1990 Resolution.

Section 12. Federal Tax Matters. The City and KUB recognize that the purchasers and owners of the Series 2021B Bonds that are intended to be Federally Tax-Exempt Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon will not be included in gross income for purposes of federal income taxation under laws in force on the date of delivery of the Series 2021B Bonds. In this connection, KUB, on behalf of the City, agrees that it shall take no action which may render the interest on any of the Series 2021B Bonds that are intended to be Federally Tax-Exempt Bonds includable in gross income for purposes of federal income taxation. It is the reasonable expectation of the City and KUB that the proceeds of the Series 2021B Bonds that are intended to be Federally Tax-Exempt Bonds will not be used in a manner which will cause the Series 2021B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and to this end the said proceeds of the Series 2021B Bonds and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. In the event Section 148(f) of the Code shall require the payment of any investment proceeds of the Series 2021B Bonds that are intended to be Federally Tax-Exempt Bonds to the United States government, KUB will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Series 2021B Bonds that are intended to be Federally Tax-Exempt Bonds from becoming taxable. The Chair of the Board, the Secretary of the Board, the President and Chief Executive Officer of KUB and Chief Financial Officer of KUB, or any of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Series 2021B Bonds that are intended

to be Federally Tax-Exempt Bonds as any or all shall deem appropriate, and such certifications shall constitute a representation and certification of the City and KUB.

Section 13. Official Statement. The President and Chief Executive Officer of KUB, or his designee, is hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Series 2021B Bonds. After the Series 2021B Bonds have been awarded, the President and Chief Executive Officer of KUB, or his designee, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The President and Chief Executive Officer of KUB, or his designee, shall arrange for the delivery to the purchaser of the Series 2021B Bonds of a reasonable number of copies of the Official Statement within seven business days after the Series 2021B Bonds have been awarded for subsequent delivery by the purchaser, to each potential investor requesting a copy of the Official Statement and to each person to whom such purchaser and members of his group initially sell the Series 2021B Bonds.

The President and Chief Executive Officer of KUB, or his designee, is authorized, on behalf of the Board, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the Board except for the omission in the Preliminary Official Statement of such pricing and other information.

Section 14. Continuing Disclosure. The City hereby covenants and agrees that KUB will provide annual financial information and material event notices for the Series 2021B Bonds as required by Rule 15c2-12 of the Securities and Exchange Commission. The Chief Financial Officer of KUB is authorized to execute at the closing of the sale of the Series 2021B Bonds, an agreement for the benefit of and enforceable by the owners of the Series 2021B Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of KUB to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause KUB to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 15. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 16. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

_____, 2021

Knoxville Utilities Board

Ladies and Gentlemen:

The undersigned (the "Underwriter") offers to enter into this agreement with Knoxville Utilities Board ("KUB") which, upon your acceptance of this offer, will be binding upon you and upon us.

This offer is made subject to your acceptance of this agreement on or before 5:00 p.m., Eastern Standard Time, on _____, 2021.

1. Purchase Price.

Upon the terms and conditions and upon the basis of the respective representations, warranties and covenants set forth herein, the Underwriter hereby agrees to purchase from KUB, and KUB hereby agrees to sell to the Underwriter, all (but not less than all) of \$12,000,000 aggregate principal amount of KUB's Wastewater System Revenue Bonds, Series 2021B (the "Bonds"). The purchase price is \$ _____ plus accrued interest and shall be paid in accordance with paragraph 6 hereof. The purchase price is equal to the par amount of the Bonds less \$ _____ original issue discount, less \$ _____ underwriter's discount and plus accrued interest. The Bonds are to be issued under and pursuant to, and are to be secured by the Resolution (the "Bond Resolution") adopted on _____, 2021, by the City Council of the City of Knoxville (the "City") at the request of KUB. The Bonds shall mature on the dates and shall bear interest at the rates all as described in the Official Statement referred to in Section 3 hereof. The maturities, rates and discount at which the Bonds are being sold are more fully described on **Schedule I** attached hereto.

The Bonds are being issued to provide funds to finance the cost of extensions and improvements to the wastewater collection and treatment system operated by KUB on behalf of the City (the "System"), including the payment of legal, fiscal and administrative costs incident thereto and incident to the issuance and sale of the Bonds.

2. Public Offering.

The Underwriter intends to make an initial bona fide public offering of all of the Bonds at not in excess of the public offering prices set forth on the cover of the Official Statement and may subsequently change such offering price without any requirement of prior notice. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing bonds into investment trusts) and others at prices lower than the public offering prices stated on the cover of the Official Statement. The Underwriter reserves the right (i) to over-allot or effect transactions that stabilize or maintain the market prices of the Bonds at levels above those which might otherwise prevail in the open market; and (ii) to discontinue such stabilizing, if commenced at any time without prior notice.

3. Official Statement.

(a) KUB has provided the Underwriter with information that constitutes a "deemed final" official statement for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934 ("Rule 15c2-12"). Concurrently with KUB's acceptance of this Bond Purchase Agreement, KUB shall deliver or cause to be delivered to the Underwriter two copies of the Official Statement (as hereinafter defined) relating to the Bonds dated the date hereof substantially in the same form as the Preliminary Official Statement with only such changes as shall have been accepted by the Underwriter.

(b) Within seven (7) business days from the date hereof and within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriter, KUB shall deliver to the Underwriter copies of the Official Statement of KUB, dated the date hereof, relating to the Bonds, in sufficient quantity as may reasonably be requested by the Underwriter in order to comply with Rule 15c2-12 and any applicable rules of the Municipal Securities Rulemaking Board, in substantially the form approved by KUB (which, together with the cover page, and all exhibits, appendices, and statements included therein or attached thereto and any amendments and supplements that may be authorized for use with respect to the Bonds is herein called the "Official Statement"), executed on behalf of KUB by a duly authorized officer of KUB. You hereby authorize and approve the Official Statement and other pertinent documents referred to in Section 6 hereof to be lawfully used in connection with the offering and sale of the Bonds. You also acknowledge and ratify the use by the Underwriter, prior to the date hereof, of the Preliminary Official Statement in connection with a public offering of the Bonds.

(c) If, prior to the Closing (as defined in Section 5 below) or within twenty-five (25) days subsequent to the end of the underwriting period as such term is used for purposes of Rule 15c2-12, any event shall occur with respect to KUB or KUB shall receive notice of the occurrence of any other event that might or would cause the information contained in the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, KUB shall so notify the Underwriter. KUB agrees to amend or supplement the Official Statement whenever requested by the Underwriter when in the reasonable judgment of the Underwriter such amendment or supplementation is required and to furnish the Underwriter with sufficient quantities of such amendment or supplement in order to permit the Underwriter to comply with Rule 15c2-12.

4. Representations and Warranties.

KUB hereby represents and warrants to the Underwriter that:

(a) KUB is duly existing pursuant to the Charter of the City and is authorized by such Charter to operate and manage the System. KUB has duly authorized all necessary action to be taken by it for: (i) the issuance and sale of the Bonds upon the terms set forth herein and in the Official

Statement; (ii) the approval of the Official Statement and the signing of the Official Statement by a duly authorized officer; (iii) the execution, delivery and receipt of this Bond Purchase Agreement, the Bonds and any and all such other agreements and documents as may be required to be executed, delivered and received by KUB in order to carry out, give effect to, and consummate the transactions contemplated hereby, by the Bonds, the Official Statement and the Bond Resolution;

(b) When executed by the respective parties thereto, this Bond Purchase Agreement will constitute a legal, valid and binding obligation of KUB enforceable in accordance with its terms;

(c) The information and statements contained in the Preliminary Official Statement, as of its date and as of the date hereof, did not and do not contain any untrue statement of a material fact or omit to state any material fact which was necessary in order to make such information and statements, in the light of the circumstances under which they were made, not misleading;

(d) The information and statements contained in the Official Statement, as of its date and as of the Closing, are and will be correct and complete in all material respects and do not and will not contain any untrue statement of a material fact or omit to state any material fact which is necessary in order to make such information and statements, in the light of the circumstances under which they were made, not misleading;

(e) KUB has complied, and will at the Closing be in compliance, in all respects with the obligations on its part contained in the Bond Resolution and the laws of the State of Tennessee (the "State"), including the Act;

(f) The City has duly adopted the Bond Resolution, and the City and KUB have (a) duly authorized and approved the distribution of the Preliminary Official Statement, (b) duly authorized and approved the execution and delivery of the Official Statement, (c) duly authorized and approved the execution and delivery of, and the performance by KUB of the obligations on its part contained in, the Bonds, the Bond Resolution and this Bond Purchase Agreement, and (d) duly authorized and approved the consummation by it of all other transactions contemplated by this Bond Purchase Agreement and the Official Statement;

(g) KUB is not in breach of or default under any applicable law or administrative regulation of the State or the United States in any manner related to or affecting the transactions contemplated hereby or in breach of or default under any applicable judgment or decree or any loan agreement, note, resolution, ordinance, agreement or other instrument to which KUB is a party or to which it or any of its property is otherwise subject; and the execution and delivery of this Bond Purchase Agreement, the Bonds and the adoption of the Bond Resolution, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, note, resolution, ordinance, agreement or other instrument to which KUB is a party or to which it or any of its property is otherwise subject;

(h) Except as may be required under the securities or "blue sky" laws of any state, all approvals, consents, authorizations and orders of, filings with or certifications by any governmental authority, board, agency or commission having jurisdiction, which would constitute a condition precedent to the performance by KUB of its obligations hereunder and under the Bond Resolution and the Bonds, have been obtained;

(i) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of KUB, threatened against KUB or others (a) affecting KUB or the corporate existence of KUB or the titles of its officers to their

respective offices, (b) seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the collection of Net Revenues pledged to pay the principal of and interest on the Bonds, or the pledge thereof, (c) in any way contesting or affecting the transactions contemplated hereby or by the Official Statement or by the validity or enforceability of the Bonds, the Bond Resolution or this Bond Purchase Agreement, (d) contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or (e) contesting the powers or authority of KUB for the issuance of the Bonds, the adoption of the Bond Resolution or the execution and delivery of this Bond Purchase Agreement;

(j) KUB will not take or omit to take any action that will in any way cause the proceeds from the sale of the Bonds and other moneys of KUB to be transferred on the date of issuance of the Bonds to be applied or result in such proceeds and other moneys being applied in a manner other than as provided in or permitted by the Bond Resolution and consistent with the utilization described in the Official Statement;

(k) KUB agrees reasonably to cooperate with the Underwriter and its counsel in any endeavor to qualify the Bonds for offering and sale under the securities or "blue sky" laws of such jurisdictions of the United States as the Underwriter may request. KUB hereby consents to the use of the Official Statement and the Bond Resolution by the Underwriter in obtaining any qualification required;

(l) If at any time from the date of this Bond Purchase Agreement through 25 days following the "end of the underwriting period" (as defined in Rule 15c2-12 described below) any event shall occur that might or would cause the Official Statement to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, KUB shall notify the Underwriter and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, KUB will supplement or amend the Official Statement in a form and in a manner approved by the Underwriter. If the Official Statement is so supplemented or amended prior to the Closing, such approval by the Underwriter of a supplement or amendment to the Official Statement shall not preclude the Underwriter from thereafter terminating this Bond Purchase Agreement, and if the Official Statement is so amended or supplemented subsequent to the date hereof and prior to the Closing, the Underwriter may terminate this Bond Purchase Agreement by notification to KUB at any time prior to the Closing if, in the judgment of the Underwriter, such amendment or supplement has or will have a material adverse effect on the marketability of the Bonds;

(n) KUB is not, nor has it at any time, been in default in the payment of principal of or interest on any obligation issued or guaranteed by KUB;

(o) Any certificate signed by an authorized officer of KUB and delivered to the Underwriter at or prior to the Closing shall be deemed a representation and warranty by KUB in connection with this Bond Purchase Agreement to the Underwriter as to the statements made therein upon which the Underwriter shall be entitled to rely. KUB covenants that between the date hereof and the Closing, it will not take any action that will cause the representations and warranties made herein to be untrue as of the Closing;

(p) The Bonds, when issued, authenticated and delivered in accordance with the Bond Resolution and sold to the Underwriter as provided herein, will be validly issued and outstanding special obligations of KUB entitled to the benefits of the Bond Resolution;

(q) KUB has lawful authority to operate the System, to consummate the transactions contemplated by the Official Statement and collect revenues, fees and other charges in connection with the System and through its Board of Commissioners, to fix the rates, fees and other charges with respect to the System; and

(r) KUB hereby covenants and agrees to enter into a written agreement or contract, constituting an undertaking (the "Undertaking") to provide ongoing disclosure about KUB, for the benefit of the beneficial owners of the Bonds on or before the date of delivery of the Bonds as required under paragraph (b)(5) of Rule 15c2-12. If KUB shall be unable to satisfy any of the conditions to the obligations of the Underwriter contained in this Bond Purchase Agreement and such condition is not waived by the Underwriter, or if the obligations of the Underwriter to purchase and accept delivery of the Bonds shall be terminated or canceled for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate and neither the Underwriter nor KUB shall be under further obligation hereunder; except that the respective obligations to pay expenses, as provided in Section 10 hereof, shall continue in full force and effect.

8. Particular Covenants.

11. No Advisory or Fiduciary Role.

KUB acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between KUB and the Underwriter, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and

is not acting as the agent, advisor or fiduciary of KUB, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of KUB with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter, or any affiliates of the Underwriter, has provided other services or are currently providing other services to KUB on other matters) and the Underwriter has no obligation to KUB with respect to the offering contemplated hereby except the obligations expressly set forth in this Bond Purchase Agreement, (iv) the Underwriter has financial and other interests that differ from those of KUB and (v) KUB has consulted its own legal, financial and other advisors to the extent it has deemed appropriate.

KUB and the Underwriter represent and warrant that no finder or other agent has been employed by either KUB or the Underwriter in connection with this transaction.

12. Notices.

Any notice or other communication to be given to KUB under this Bond Purchase Agreement may be given by delivering the same in writing at its address set forth above, and any notice or other communication to be given to the Underwriter under this Bond Purchase Agreement may be given by delivering the same in writing to _____, _____, _____, _____.

[LETTERHEAD OF BASS BERRY & SIMS PLC]

[Closing Date]

Ladies and Gentlemen:

This opinion is being rendered to you pursuant to Paragraph 6(b)(2) of the Bond Purchase Agreement, dated _____, 2021 (the "Bond Purchase Agreement"), between _____ (the "Underwriter"), and Knoxville Utilities Board ("KUB"), relating to the sale by KUB of its Wastewater System Revenue Bonds, Series 2021B, in the aggregate principal amount of \$12,000,000 (the "Bonds"). Terms which are used herein and not otherwise defined shall have the meanings assigned to them in the Bond Purchase Agreement.

Of even date herewith, we have delivered our approving opinion in connection with the issuance of the Bonds. In our capacity as Bond Counsel, we have reviewed a record of proceedings in connection with the issuance of the Bonds and we have participated in conferences from time to time with counsel to KUB, representatives of the Underwriter and counsel to the Underwriter, relative to the Official Statement, dated _____, 2021, relating to the Bonds, and the related documents described below. We have also examined such other agreements, documents and certificates, and have made such investigations of law, as we have deemed necessary or appropriate in rendering the opinions set forth below.

Based on the foregoing, we are of the opinion that, as of the date hereof:

1. The offer and sale of the Bonds to the public do not require any registration under the Securities Act of 1933, as amended, and, in connection therewith, the Bond Resolution does not need to be qualified under the Trust Indenture Act of 1939, as amended.

2. The statements contained in the Official Statement under the captions "Introduction" to the extent the narrative thereunder purports to describe the terms of the Bonds and the legal authority by which they are issued, "The Bonds," and in Appendix A to the Official Statement, insofar as such statements purport to summarize certain provisions of the Bonds and the Bond Resolution, fairly summarize such provisions. The statements contained in the Official Statement under the caption "Opinion of Bond Counsel" are correct as to matters of law.

This opinion may be relied upon only by the Underwriter and by other persons to whom written permission to rely hereon is granted by us.

Very truly yours,

Re: City of Knoxville, Tennessee acting on behalf of the Knoxville Utilities Board \$12,000,000 Wastewater System Revenue Bonds, Series 2021B

Ladies and Gentlemen:

You have requested that the undersigned, General Counsel to the Knoxville Utilities Board of the City of Knoxville, Tennessee ("KUB"), render this opinion in connection with the execution, delivery and sale of the captioned bonds (the "Bonds"), the proceeds of which will be used to finance extensions and improvements to the wastewater collection and treatment system described herein.

It is our opinion that KUB is duly established and validly existing pursuant to the Charter of the City of Knoxville, Tennessee (the "Municipality"), and, pursuant to said Charter, the wastewater system of the Municipality (the "System") is under the jurisdiction, control and management of KUB.

The undersigned does hereby certify that no litigation of any nature is now pending or, to our knowledge, threatened

- (1) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Bonds;
- (2) seeking to restrain or enjoin the charging of sufficient rates to pay the cost of operating, maintaining, repairing and insuring the System and to pay principal of and interest on the Bonds and all outstanding obligations payable from the revenues of the System;
- (3) in any manner questioning the proceedings or authority pursuant to which the Bonds are authorized or issued or such rates are charged;
- (4) in any manner questioning or relating to the validity of the Bonds;
- (5) contesting in any way the completeness or accuracy of the Official Statement prepared and distributed in connection with the sale of the Bonds;
- (6) in any way contesting the corporate existence or boundaries of the Municipality, except for various pending actions challenging past or present annexation efforts of the Municipality, which will have no material adverse effect on the revenues of the System;
- (7) contesting the title of the present officers of KUB to their respective offices; or

(8) contesting the powers of KUB or the authority of KUB with respect to the Bonds, or proceedings authorizing the Bonds, or any act to be done or document or certificate to be executed or delivered in connection with the issuance and delivery of the Bonds.

Neither the voters of the Municipality nor its governing body nor the Board of Commissioners of KUB have approved any special, local or private act or legislation passed by the General Assembly of the State of Tennessee at its most recent session or any amendments to the Charter of the Municipality affecting the power of the Municipality to issue the Bonds or pay the principal of, premium, if any, and interest on the Bonds when due or affecting the power of the Board of Commissioners of KUB to manage and control the System.

I hereby certify that _____ and _____ are the duly qualified, appointed and acting Chair and Secretary, respectively, of the Board of Commissioners of KUB with full power to act as such officers on behalf of KUB in connection with the execution and delivery of the Bonds.

Yours truly,
