

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Broadacres Subdivision Area Natural Gas Main Replacement Project (Powell)

UPDATE ISSUE DATE: September 22, 2023

Please see corresponding maps for work zone referenced below.

UPDATE:

PROJECT OVERVIEW: Beginning in late September 2023 and lasting through June 2024, KUB and its contractor will upgrade the natural gas distribution pipelines and related equipment throughout Broadacres Subdivision in Powell. As a reminder, there may be daily lane closures/shifts in the immediate area where crews are working to safely set up construction equipment. See the attached map showing the current work zones.

UPDATE: KUB contractor, Pipeline Construction, mobilized to begin natural gas system upgrades in Broadacres Subdivision this past week. The contractor completed work on Camberley Drive in the area designated by the number 1 block on the attached map. Next week, crews will progress to area on Camberley Drive designated by the number 2 block on the map. Work will progress to the following numbered areas over the next several weeks. The goal is to complete connection of the short segment "gaps" on the outer boundaries of the project zone before moving to the interior of the subdivision to complete upgrades on the longer segments.

PROJECT COMMUNICATION: KUB will post regular updates for the duration of this project on the Major Projects Page located at www.kub.org. This will include regular updates on traffic control, current construction zones, and upcoming work areas. To access the major projects website type <https://www.kub.org/about/community/kub-major-projects-north-knoxville-area> in your browser. Updates will also be posted on Nextdoor.
