

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Crestwood Hills Area Natural Gas Main Replacement Project (West Knox County)

UPDATE ISSUE DATE: June 3, 2022

Please see corresponding maps for work zone referenced below.

UPDATE:

Contractor crews have completed installation of natural gas pipelines, valves, and related equipment. Work has shifted to cleanup and restoration as weather permits over the next several weeks. Due to the scattered nature of remaining cleanup and restoration work, there is no accompanying map with this week's update. Temporary lane closures may be needed in some areas for asphalt paving restoration. Contact KUB Customer Support representative Sam Huxley at 865-558-2324 weekdays between 7:30 a.m. – 4 p.m. if you have questions about this project.
