

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water & Wastewater Upgrade Project

UPDATE ISSUE DATE: August 18, 2023

UPDATE:

Utility crews will continue water and wastewater construction and restoration in the following areas of Fort Sanders the week of August 21-25, 2023:

Water – Crews will complete the final tie-up in the intersection of Clinch Ave and James Agee Street overnight, August 18-19. Paving restoration will be complete next week in this area which will complete the water portion of this project.

Wastewater – Crews have completed pipeline work. The contractor will be performing work on punch list items and manhole inspections at various locations to close out the project over the next several weeks. Intermittent temporary lane closures may be needed to access manholes and perform remaining inspections/work.
