

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water Main Replacement Project

UPDATE ISSUE DATE: October 27, 2023

UPDATE:

PROJECT OVERVIEW: KUB started a large water main replacement project covering the area between Grand Avenue, 17th Street, White Avenue, and 23rd Street (see work zone on attached map) on Sunday, August 6. Construction will continue north on 22nd Street toward Grand Avenue over the next several months. Additional crews will start work on other nearby streets in the coming months. The overall project is scheduled for completion by June 2024.

Ongoing:

20th Street – White Avenue to Laurel Avenue

Crews have completed water main installation and testing on 20th Street between White Avenue and Laurel Avenue. Coordination and scheduling is in place for service tie-overs for Fort Sanders Regional Medical Center and Thompson Cancer Survival Center with the work scheduled to occur over the next two weeks. Paving restoration is occurring Friday October 27 and possibly Saturday and 28 in this area. Lane and road closures should be anticipated during active construction in these areas.

Upcoming:

18th Street between Clinch Avenue – Laurel Avenue & Laurel Avenue between 18th Street – 19th Street

Construction preparations are schedule to begin next week on 18th Street between Clinch Avenue and Laurel Avenue, and then on Laurel Avenue between 18th Street and 19th Street. Water main installation is scheduled for this area during the first three weeks of November. Customer service line reconnections and paving restoration will occur after main installation and testing are complete. Lane, road and sidewalk closures should be anticipated during active construction in these areas.

Access to all parking garages and business entrances will be maintained throughout this process. As construction progresses, please anticipate road, lane, and sidewalk closures in the immediate construction zone.
