

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water Main Replacement Project

UPDATE ISSUE DATE: August 10, 2023

UPDATE:

PROJECT OVERVIEW: KUB started a large water main replacement project covering the area between Grand Ave., 17th St., White Ave., and 23rd St. (see work zone on attached map) on Sunday, August 6. Construction will continue north on 22nd Street toward Grand Avenue over the next several months. Additional crews will start work on other nearby streets in the coming months. The overall project is scheduled for completion by June 2024.

CURRENT CONSTRUCTION UPDATE/TRAFFIC NOTICE: KUB crews have completed installation of the new water main on 22nd Street between White Avenue and Clinch Avenue. Crews will continue to work in this area over the next several days to connect customer service lines to the new main. Roadway paving and curb restoration will occur following excavation. This work will be performed during overnight hours, from 6 p.m. – 6 a.m., to minimize traffic impacts. Road, lane, and parking closures will be implemented as needed in the immediate work zone for the duration of this project. Traffic patterns will return to normal outside listed work hours.

PROJECT UPDATES: Regular updates will be posted for the duration of the project at <https://www.kub.org/kub-major-projects-fort-sanders-ut-area>, Twitter, and Nextdoor.
