

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water Main Replacement Project

UPDATE ISSUE DATE: September 1, 2023

UPDATE: CREWS WILL NOT WORK ON MONDAY, SEPTEMBER 4.

PROJECT OVERVIEW: KUB started a large water main replacement project covering the area between Grand Avenue, 17th Street, White Avenue, and 23rd Street (see work zone on attached map) on Sunday, August 6. Construction will continue north on 22nd Street toward Grand Avenue over the next several months. Additional crews will start work on other nearby streets in the coming months. The overall project is scheduled for completion by June 2024.

22nd St Water Main Installation:

The new water main installation is now complete on 22nd Street from White Avenue to Forest Avenue. The new main is now being tested and service line reconnections will occur after successful testing.

Clinch Ave Water Main Installation:

Construction will continue on Clinch Avenue between 21st Street and 20th Street September 5, and will continue to the intersection of Clinch Avenue and 19th Street. Paving restoration will be occurring on a weekly basis in the construction area. Lane, road, and sidewalk shifts and closures should be expected in the immediate construction area.

Access to all parking garages and business entrances will be maintained throughout this process. As construction progresses, please anticipate road, lane, and sidewalk closures in the immediate construction zone.

PROJECT UPDATES: Regular updates will be posted for the duration of the project at <https://www.kub.org/kub-major-projects-fort-sanders-ut-area>, Twitter, and Nextdoor.
