

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water Main Replacement Project

UPDATE ISSUE DATE: September 15, 2023

UPDATE:

PROJECT OVERVIEW: KUB started a large water main replacement project covering the area between Grand Avenue, 17th Street, White Avenue, and 23rd Street (see work zone on attached map) on Sunday, August 6. Construction will continue north on 22nd Street toward Grand Avenue over the next several months. Additional crews will start work on other nearby streets in the coming months. The overall project is scheduled for completion by June 2024.

22nd Street Water Main Installation:

KUB Underground Construction crews have completed water main installation and service reconnections on 22nd Street. Final restoration work will occur over the coming weeks.

Clinch Avenue Water Main Installation:

Crews have completed water main installation on Clinch Ave between 22nd St and 19th St. Service reconnections on this main will occur over the next two weeks with temporary paving restorations scheduled to begin September 14, 2023. Lane, road, and sidewalk closures should be anticipated in the immediate work areas with roads returning to normal traffic patterns during non-work hours.

Access to all parking garages and business entrances will be maintained throughout this process. As construction progresses, please anticipate road, lane, and sidewalk closures in the immediate construction zone.

PROJECT UPDATES: Regular updates will be posted for the duration of the project at <https://www.kub.org/kub-major-projects-fort-sanders-ut-area>, Twitter, and Nextdoor.
