

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement

PROJECT TITLE: Fort Sanders Area Water Main Replacement Project

UPDATE ISSUE DATE: September 8, 2023

UPDATE:

PROJECT OVERVIEW: KUB started a large water main replacement project covering the area between Grand Avenue, 17th Street, White Avenue, and 23rd Street (see work zone on attached map) on Sunday, August 6. Construction will continue north on 22nd Street toward Grand Avenue over the next several months. Additional crews will start work on other nearby streets in the coming months. The overall project is scheduled for completion by June 2024.

22nd Street Water Main Installation:

KUB Underground Construction crews have completed the water main installation on 22nd Street, and testing of the new main is now complete. Crews will work to complete water service reconnections for the remainder of this week with temporary paving restoration to follow in those areas. There will be lane adjustments and/or closures in the immediate work area(s) during active work times with traffic patterns returning to normal outside of these times.

Clinch Avenue Water Main Installation:

Crews began work on Clinch Avenue at 22nd Street on August 27 with new water main installation continuing eastward to the intersection of Clinch Avenue and 19th Street. The crew will work overnight from 8 p.m. to 6 a.m., September 8-9 in the intersection of Clinch Avenue and 20th Street, and will continue overnight work Sunday and Monday to complete the main installation on Clinch Avenue. Lane, road, and sidewalk closures should be anticipated in the immediate work areas with roads returning to normal traffic patterns during non-work hours. Once testing of the new water main has been completed, crews will begin water service reconnections on Clinch Avenue between 22nd Street and 19th Street with temporary paving to follow.

Access to all parking garages and business entrances will be maintained throughout this process. As construction progresses, please anticipate road, lane, and sidewalk closures in the immediate construction zone.

PROJECT UPDATES: Regular updates will be posted for the duration of the project at <https://www.kub.org/kub-major-projects-fort-sanders-ut-area>, Twitter, and Nextdoor.
