I certify that I am, or have been authorized by the business and/or mobile vending unit's owner, to sign this document and acknowledge that I have read KUB's Grease Control Program. I also understand that if the unit's operations change or there is a change in ownership of the business, I must immediately submit to KUB in writing such changes or possibly be in violation of my Grease Control Permit, which is nontransferable. I am aware that there are penalties for submitting false information, including the possibility of enforcement actions in accordance with KUB's Rules and Regulations for the Wastewater Division, KUB's Grease Control Program and its associated Enforcement Response Guide.

My signature indicates that I am the person responsible for ensuring that the business listed on this Grease Control Permit Application is compliant with KUB's Rules and Regulations for the Wastewater Division and KUB's Grease Control Program. I agree that the business listed on this Grease Control Permit Application will abide by all applicable provisions of KUB's Rules and Regulations for the Wastewater Division and understand that failure to do so may cause disconnection of water service or other enforcement actions in accordance with the Grease Control Program Enforcement Response Guide. I also understand that I am responsible for the grease control equipment and meeting the requirements of the Grease Control Program, even if I do not own the property. **NOTICE: Failure of the responsible party for the mobile food unit business listed on this Grease Control Permit Application to sign this application does not relieve the mobile food unit business from any compliance requirements of KUB's Rules and Regulations for the Wastewater Division or KUB's Grease Control Program.**
