

# MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

**PROJECT TITLE:** Halls/Powell Area Electric Upgrade Project (T Line between Emory Road and Cunningham Road)

**UPDATE ISSUE DATE:** November 19, 2021

*Please see corresponding maps for work zones referenced below.*

## **UPDATE:**

KUB Overhead Construction crews have completed electric system upgrades in the area. This project included upgrades to approximately 2.5 miles of overhead electric lines, 55 new utility poles installed, and two new transformers. As a result of this Century II infrastructure upgrade project, electric customers in the area will benefit from increased system reliability and resiliency during weather events. This will be the final update for this project.
