Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(Fountain City) Road Closure - Jenkins Road [February 17-25]** – KUB crews will close Jenkins Road between Highland Drive and Adair Drive daily from 6 a.m. – 7 p.m. starting Monday, February 17, through Tuesday, February 25, as work is performed on the water distribution system in the area. Local traffic access will be maintained for residents. Alternate routes include Adair Drive, Highland Drive, Woodrow Drive, Mount Pleasant Road, West Lincoln Circle, and Edford Avenue.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
