

# Lovell Road Area Natural Gas Main Relocation Project

## Project Information Sheet

### Project Scope

- KUB will install approximately 10,000 feet of new natural gas main, valves, and related equipment between Cedardale Lane and Autumnwood Circle
- Gas work to be completed ahead of Knox County/TDOT roadway project on Lovell Road (from Cedardale Lane to Middlebrook Pike) scheduled to start in 2019
- Route to be determined later this summer after surveying

### Project Details

- Temporary lane closures may be required in the immediate work area to facilitate safe access for workers, equipment, and vehicles
- All lanes will reopen to traffic outside of the listed work hours
- General sequence of construction:
  - Contractor mobilization
  - Right-of-way vegetation clearing and site preparation
  - Excavation and pipeline installation
  - Right-of-way restoration and stabilization

### Project Schedule

- **Public Meeting: 6 p.m., Thursday, May 18 at Providence Church Worship Center (1432 Lovell Road)**
- Surveying/Project Design: May 29-August 2017

### KUB Project Contact

**Tim Cox**  
Customer Support  
Office: **558-2947**  
Cell: **313-3777**  
Weekdays,  
7 a.m.—4 p.m.

### After Hours/Weekends

Main KUB Phone Number:  
**524-2911**

Customer Support Hotline:  
**558-2331** (Leave recorded message. Responded to by end of next business day.)

### KUB Century II Program

Century II is KUB's long-range program to improve and maintain our utility systems for our customers. It will help move KUB into our second century of service through sound planning, resource allocation, and continued or accelerated investment. Century II reflects KUB's commitment to provide reliable utility services and meet customers needs—now and in the future. Anticipating and addressing needs now provides long-term benefits. Visit [www.kub.org](http://www.kub.org) for more details about the Century II program.
