President Roach reminded Commissioners that the Board established a Trust Fund in 2007 for pre-funding KUB’s post-employment health care benefits. At that time the Board also adopted an Investment Policy governing the investment of Trust Fund assets. Knoxville Utilities Board
445 South Gay Street
Knoxville, Tennessee 37902-1109

Commissioners:

As you may recall, the Board previously adopted an Investment Policy ("Policy") for the investment of assets of KUB’s Other Post Employment Benefit Trust ("OPEB Trust") and delegated certain responsibilities for the administration of the OPEB Trust and Policy to the OPEB Trust Board.

The OPEB Board has recommended the Policy be amended to change the OPEB Trust’s target asset allocation from a 80/10 equity/fixed income allocation to a 70/30 equity/fixed income allocation, adjust the tactical asset allocation ranges, and update the Policy to reflect the current Governmental Accounting Standards Board ("GASB") statement regarding the fair market value of assets.

Strong investment performance and a consistent practice of funding actuarially determined contributions have produced an actuarially funded ratio of 100 percent for the OPEB Trust. Given the funded status and the fact KUB’s retiree medical plan is closed, the OPEB Trust’s investment advisor, Mercer Investment Consultants, advised the OPEB Board it would be prudent to take some equity risk out of the OPEB Trust portfolio by reallocating a portion of assets to fixed income investments. A letter from Mercer Investment Consultants supporting the reallocation of OPEB Trust assets is enclosed for your information.

Staff has reviewed the proposed changes to the Policy with KUB’s benefits counsel and with the OPEB Trust actuary. Letters from each of them are also enclosed for your information.

The proposed changes to the Policy were discussed with the Board’s Audit and Finance Committee at the Committee’s meeting on October 16. The Committee adopted Resolution AF-61, which is enclosed for your information, recommending the Board amend the Policy to reflect the proposed changes. The Policy may only be amended upon action by the full Board.

A red-lined version of the Policy highlighting the proposed changes is also enclosed for your review.

Resolution 1337 has been prepared adopting a revised Policy. I recommend approval of Resolution 1337 on first and final reading.

Respectfully submitted,

Minthia E. Roach
President and CEO

2. **Scope**

This Policy covers all OPEB funds held in Trust and invested for the purpose of meeting the OPEB obligations under the Plan.

3. **Prudence**

Management and administrative responsibility for the investment program and implementation of this Policy is delegated to the OPEB Board created by the OPEB Trust pursuant to KUB Board of Commissioners Resolution No. 1168.
The OPEB Board may contract with or employ technical and professional advice from one or more qualified firms or individuals as may be needed to provide investment advice or execution of this Policy provided such services are rendered to the Trust on a fixed fee and non-commissioned basis and do not involve any direct investment with or through the firm providing such financial advice.

The initial investment asset allocation is appended to this Policy. The OPEB Board shall recommend from time to time modifications to the investment asset allocation through KUB's President and CEO to the KUB Board of Commissioners for approval. 9. Internal Control

The OPEB Board, the custodial trustee and each Investment Manager shall insure that the assets of the Trust are protected from loss, theft or misuse through the implementation of appropriate internal controls.

RESOLUTION NO. 1338

A Resolution of the Knoxville Utilities Board Concerning Bruce A. Anderson, Who is Concluding Service as a Commissioner

Whereas, Bruce A. Anderson became a member of this Board in January 2002 and has now served faithfully for fourteen years, including serving two terms as its Chair; and

Whereas, he was first elected Chair in 2004 and his first job was to preside over the naming of a new CEO; and

Whereas, Commissioner Anderson supported KUB’s accelerated wastewater system replacements in 2004 with the $650 Million PACE 10 program, which addressed requirements from the federal Consent Decree issued to KUB in 2005, and increased KUB’s wastewater capital program spending from $1 million per month to $1 million per week; and

Whereas, during his tenure, Commissioner Anderson supported the establishment of the Century II program, including long-term funding plans, thereby committing to accelerate investments for aging infrastructure across all systems, allowing for timely replacement of system components; and

Whereas, Commissioner Anderson was an advocate for customers, recognizing the balance between the needs of business and residential customers, the need to invest in the system and the need to manage costs; and

Whereas, KUB implemented significant cost saving measures, including a 10 percent reduction in full-time staffing, the closure of its defined benefit pension plan to new entrants, and the elimination of non-critical programs, which combined with other cost reductions has saved KUB’s customers in excess of $100 million during his tenure; and

Whereas, Commissioner Anderson recognized the need to eliminate the root cause associated with ongoing emergency energy assistance and supported the implementation of Round It Up, a program which would allow customers to round up their monthly utility bills to the next whole dollar to provide funding for low-income weatherization; and

Whereas, Commissioner Anderson recognized the hard work, dedication and service of KUB employees through the establishment of the Employee Excellence Award, the first ever Board employee recognition program; and
Whereas, in addition to his active role as a Commissioner during his tenure, he served as Chair and Vice Chair of the Board, as well as Chair of the Audit and Finance Committee and the Nominating Committee; and

Whereas, Commissioner Anderson has further distinguished himself and KUB through his involvement in the business community; and during the past fourteen years he has consistently acted in the best interest of KUB and its customers.

Now, Therefore, Be It Hereby Resolved by the Board of Commissioners of the Knoxville Utilities Board:

Section 1. That this Board hereby gratefully acknowledges and commends Bruce Anderson for his dedicated service to KUB, its employees, customers, and our community.

Section 2. That the Board recognizes Commissioner Anderson's effective service and that the Board genuinely regrets that his time on the KUB Board of Commissioners has concluded.

Section 3. That this Resolution shall take effect from and after its passage and that a copy shall be provided to Commissioner Anderson.
