

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Morrell Road Area Electric System Upgrade Project
(West Knoxville)

UPDATE ISSUE DATE: May 20, 2022

Please see corresponding maps for work zones referenced below.

UPDATE: Electric system upgrades continue along Morrell Road. KUB crews will work along the section of Morrell Road between Luscombe Drive and Westland Drive over the next two weeks. There will be temporary daily closures of the southbound curbside lane of traffic, sidewalk, and shoulder in this area when crews are present. One southbound lane, center turn lane, and both northbound lanes will remain open. The overall project runs along Morrell Road between Kingston Pike and Northshore Drive. Intermittent lane and shoulder closures will be implemented in the immediate area where crews are working as construction progresses along Morrell Road. The entire stretch of Morrell Road will not be affected at the same time. Updates will be posted as needed throughout the course of this project. NOTE: Due to vacation schedules, the next update will be posted the week of May 30.
