

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: North Broadway Area/Mini-Basin 17A1a Wastewater Rehabilitation Project

UPDATE ISSUE DATE: April 1, 2022

UPDATE:

KUB contractor crews started work on the section of Lawson Avenue between Howard Street and Ross Street this past week. Work will continue over the next several weeks on Lawson Avenue. Additionally, crews are scheduled to start work on Coker Avenue next week, starting at Nadine Street and moving block-by-block towards N. Broadway over the next several weeks. The overall project, which encompasses the area bordered by N. Broadway, Cecil Avenue, Nadine Street, and Washington Pike, is scheduled for completion by November 2022. Construction will take place along existing wastewater pipelines and manholes in the area. Curbside parking will be restricted in work zones to allow access for construction vehicles and equipment. Temporary lane and or road closures may also be implemented in the immediate areas where crews are working.
