

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: North Broadway Area/Mini-Basin 17A1a Wastewater Rehabilitation Project

UPDATE ISSUE DATE: June 17, 2022

UPDATE:

Construction/Traffic:

Chicago Avenue – Contractor crews have shifted wastewater collection system construction to Chicago Avenue, with road closures to through traffic daily from 7 a.m. – 6 p.m. between N. Broadway and Nadine Street. Access to driveways will be maintained. Alternate routes include Coker Avenue. This section of Chicago Avenue will reopen to normal traffic flow outside of list work hours. Appropriate signage will be placed on site to assist with traffic control.

Restoration: Wastewater pipeline and manhole work has been completed at previous construction zones on McCroskey Avenue, Washington Pike, Coker Avenue, and Lawson Avenue and work has shifted to cleanup and restoration. Intermittent temporary lane and sidewalk closures may be needed as paving and restoration work continues in these areas.
