

# MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

**PROJECT TITLE:** North Broadway Area/Mini-Basin 17A1a Wastewater Rehabilitation Project

**UPDATE ISSUE DATE:** June 3, 2022

## UPDATE:

**Construction/Traffic: McCroskey Avenue** – KUB contractor crews will close the section of McCroskey Avenue between N. Broadway and Howard Street to through traffic daily from 7 a.m. – 6 p.m., Monday, June 6, through, Friday, June 10, as work is performed on the wastewater collection system in the area. Access to driveways will be maintained. Alternate routes include Chicago Avenue. This section of McCroskey Avenue will reopen to normal traffic flow outside of list work hours. Appropriate signage will be placed on site to assist with traffic control. Follow-up advisories will be issued as necessary.

**Restoration:** Wastewater pipeline and manhole work has been completed at previous construction zones on Washington Pike, Coker Avenue, and Lawson Avenue and work has shifted to cleanup and restoration. Intermittent temporary lane and sidewalk closures may be needed as paving and restoration work continues in these areas.
