

Old Kingston Pike Area Water Main Replacement Project

Construction Zones: December 16-20, 2019
Issue Date: December 13, 2019

Water main installation and service line connections complete on Old Kingston Pike, Staub Street, and S. Forest Park Blvd.

Customer service line connections and asphalt repairs remain on Old Kingston Pike through next week

Access to businesses will be maintained

No utility construction or traffic impacts on Kingston Pike or Lyons View Pike as part of this project

Project will require lane shifts/closures in immediate area where crews are working on S. Forest Park Boulevard, Old Kingston Pike, and Staub Street
