

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Old North Knox Area/Mini-Basin 17A1b Wastewater Rehabilitation Project

UPDATE ISSUE DATE: September 1, 2022

UPDATE:

KUB contractor crews have completed the wastewater collection system rehabilitation project in the N Broadway/Belle Morris area. This will be the final update for this project. The overall project included the following collection system upgrades:

- 5,300 linear feet of 8-inch wastewater main installed via pipe bursting
- 345 linear feet of 8-inch wastewater main installed via open cut
- 1,400 linear feet of 8-inch wastewater main installed via cured-in-place lining of existing pipe (CIPP)
- 106 customer sewer lateral connections reinstated
- 19 manholes replaced
- 233 vertical feet of manholes rehabilitated
- 1,800 linear feet of asphalt patching replaced in excavated areas
- 491 square yards of concrete sidewalk replaced in excavated areas
- 400 linear feet of concrete curb replaced in excavated areas
