Supplier Diversity

KUB recognizes the power of diversity and the vast resource a diverse pool of suppliers provides businesses. They are essential to KUB’s efforts to support the growth of the communities it serves. KUB encourages the use and growth of Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs). Supplier diversity gives MBEs and WBEs an equal opportunity to participate in providing goods and services, in either a contractor or subcontractor arrangement or as a supplier/vendor with KUB. KUB is an equal opportunity employer and as such requires that its suppliers, vendors, and contractors do not discriminate based on race, color, sex, religion, national origin, age, disability, or genetic information.
