OUTREACH**

KUB provides safe and reliable electric, fiber, natural gas, wastewater treatment, and water services to nearly 520,000 customers in Knox and parts of seven surrounding counties.

Local Events Connect Businesses with KUB

KUB recently welcomed more than 70 attendees to its annual Procurement Expo. KUB employees from its Transportation, Engineering, Properties, Plants, and System Maintenance departments connected with vendors and contractors to discuss upcoming KUB projects and opportunities. “We really appreciate all the business representatives who took the time to visit us and we’re thrilled with the continued community partnerships we maintain,” Brian Day, KUB Procurement Manager, said.

KUB also connected with vendors and contractors at the East Tennessee Purchasing Association’s bi-annual Business Outreach Expo. Over 200 vendors and contractors came together to learn more about working with not only KUB, but the University of Tennessee, City of Knoxville, and others.
