President’s Report

President Roach recognized Mark Walker, Senior Vice President and CFO, to provide the details for the issuance of a $10 million revenue anticipation note for the gas division.

President Roach reminded Commissioners that KUB began the downtown Century II project in July 2014. The purpose of the project has been to upgrade sections of water and wastewater mains as well as upgrades to natural gas and underground electrical infrastructure. She recognized Mark Rauhuff, Manager of Water Systems Engineering, to provide an update on this project.
President Roach recognized, Josh Johnson, Engineer in Gas Systems Engineering, to provide an update on phase III of the South Loop project.
