

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Sequoyah Hills Utility Projects Update

UPDATE ISSUE DATE: February 12, 2021

Please see corresponding maps for work zones referenced below.

UPDATE:

Sequoyah Square/Taliluna Avenue Natural Gas Main Replacement – KUB Underground Construction pipeline installation crews have completed installation of the new natural gas main in the north/northeast area of the complex. Service line connection and clean-up/restoration work remains throughout the complex.

Sequoyah Hills Phase 3 Wastewater Rehabilitation Status Update – KUB contract crews will temporarily close the section of Cherokee Boulevard between Kingston Pike and Cheowa Circle from 7 a.m. – 7 p.m. daily, Monday, February 15, through Friday, February 19, as work is performed on wastewater collection system in the area. The turn lane of Kingston Pike to Cherokee Boulevard will also be closed during this time, and through traffic will be detoured to Scenic Drive. Local traffic access will be maintained, and flaggers will be on site to assist with traffic control. The roadway will reopen to normal traffic flow outside of work hours.

Additional Phase 3 traffic impacts for week of February 15-19:

- Intermittent lane closures as needed during work hours:
 - o Cherokee Boulevard between Bluff Drive and Talahi Drive
 - o Talahi Drive between Taliluna Avenue and Cherokee Boulevard. (The adjacent section of Cherokee Boulevard and Talahi Drive will not be closed at the same time.)
 - o Cheowa Circle between Lakeview Drive and Bluff Drive
 - o Boxwood Square between Lakeview Drive and Kingston Pike
 - o Iskagna Drive between Keowee Drive and Kennesaw Avenue

See attached map showing active work zones for the week of February 15-19.
