

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Sequoyah Hills Utility Projects

UPDATE ISSUE DATE: February 25, 2022

UPDATE:

Wastewater Collection System Rehabilitation Project - Phase 3:

KUB contract crews will perform work on the wastewater collection system in the following areas:

- o Concrete repair/restoration with intermittent road closures
 - o Bluff Drive between Cherokee Boulevard and Cheowa Circle (Daily, February 28-March 3)
- o Service lateral installation with intermittent road closures
 - o Cheowa Circle between Lake View Drive and Bluff Drive (March 4 – weather permitting)
- o Cured-in-place liner installation
 - o Off-road easement between Oakhurst Drive and Kenilworth Drive
- o Project punch-list items and restoration
 - o Throughout Phase 3 project area over the next several weeks

Sequoyah Hills Shortline Water Main Replacement Projects Updates:

Bluff Drive Water Main Replacement – KUB Underground Construction have completed installation of the new water main along Bluff Drive. Clean-up and roadway restoration work will take place over the next several weeks. This work is scheduled for completion as weather allows in the next several weeks.

CCTV Inspections – Contractor crews will be performing closed-circuit TV (CCTV) inspections of wastewater pipes and manholes at various locations across the entire Phase 3 area for the duration of the project. Due to the location of some manholes in the roadway, this work will require temporary lane closures with flaggers present to maintain traffic flow. Crews will also need to access manholes and pipes located in off-road easements.
