

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Sequoyah Hills Utility Projects

UPDATE ISSUE DATE: March 24, 2021

Please see corresponding maps for work zones referenced below.

UPDATE:

Sequoyah Hills Phase 3 Wastewater Collection System Rehabilitation Project Traffic Update – Contractor Morgan Construction will close a short section of Kenesaw Avenue near the Cherokee Boulevard/Bluff Drive intersection on Thursday, March 25, and Friday, March 26, as wastewater pipeline rehabilitation work is performed. This work will also progress west to east from Kenesaw Avenue across Cherokee Boulevard, requiring closures of the southbound and northbound lanes of traffic on Cherokee Boulevard. Both sides of Cherokee Boulevard will not be closed at the same time. The open side of Cherokee Boulevard will be used to alternate traffic flow with flaggers present. The Sequoyah Greenway will remain open, but trail users must remain on the gravel footpath and remain aware of the presence of construction equipment, materials, and vehicles in the area. Work will also continue in other areas indicated on the attached map.
