

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

PROJECT TITLE: Sequoyah Hills Utility Projects

UPDATE ISSUE DATE: May 17, 2021

Please see corresponding maps for work zones referenced below.

UPDATE:

KUB contractor crews will temporarily close the section of Cherokee Boulevard daily between Tugaloo Drive and Talahi Drive Monday, May 17, through Friday, May 21, as work is performed on wastewater collection system in the area. Local traffic access will be maintained. The roadway will reopen to normal traffic flow outside of work hours.

Additional Phase 3 area traffic impacts for week of May 17-21:

- Intermittent road closures (access for local residents will be maintained)
 - o Boxwood Square
 - o Bluff Drive
 - o Woodland Court
 - o Woodland Drive between Kenesaw Avenue and Cherokee Boulevard
 - o **Taliluna Avenue between Talahi Drive and Tugaloo Drive [NEW]**
 - o Kenesaw Avenue between Westerwood Avenue and Woodland Drive
- NOTE:** Work on Kenesaw Avenue between Westerwood Avenue and Cherokee Boulevard will be performed at a later date
- Wastewater rehabilitation in off-road easements
 - o Easement between Kenesaw Avenue and Hillvale Circle
 - o Easement between Dellwood Drive and Glenfield Drive
 - o Easement between Iskagna Drive and Talahi Drive

CCTV Inspections – Contractor crews will be performing closed-circuit TV (CCTV) inspections of wastewater pipes and manholes at various locations across the entire Phase 3 area for the duration of the project. Due to the location of some manholes in the roadway, this work will require temporary lane closures with flaggers present to maintain traffic flow. Crews will also need to access manholes and pipes located in off-road easements.

MAJOR PROJECT UPDATE

This project is being completed as part of KUB's Century II infrastructure improvement and replacement programs.

System Testing – Contractor crews will conduct testing on newly-installed wastewater mains and manholes throughout the Phase 3 work area for the duration of this project.

Restoration – Crews will work to restore roadways, sidewalks, curbs, and yards in recently excavated areas across the Phase 3 zone. Work in roadways will require short term lane/road closures.
