

Sequoyah Hills Area Wastewater Rehabilitation Project

Project Update - Spring 2018

Project Update

- KUB subcontractor Hurst Excavating began construction in February 2018 on Phase 1 of a three-phase project to rehabilitate wastewater pipes and manholes
- Phase 1 remains on schedule for completion by December/January
- Work on Scenic Drive and Southgate Drive is mostly complete
 - One minor repair remains on Scenic Drive
 - Work remains in the intersection of Southgate Drive and Cherokee Boulevard after the Dogwood Arts Festival concludes April 30
- Phase 1 work on Noelton Drive will begin after City of Knoxville six-week drainage project scheduled to begin in early May
- KUB will install new water and wastewater pipes on Noelton Drive

Paving and Restoration

- KUB is patch-paving all road cuts from wastewater work
- Streets in Phase 1 of KUB project are scheduled to be paved by the City of Knoxville as part of its 2019 paving schedule
- Scenic Drive and Southgate Road are included in the City's paving schedule for this year
- Right-of-way restoration will be complete as weather conditions allow following digging
- Final paving to be done in all areas by fall 2021

Project Details

- General sequence of construction:
 - Mobilize crews and equipment
 - Construction methods
 - Open cut excavation and replacement
 - Cured-in-place lining of existing pipe
 - Pipe bursting of existing pipe
 - Test rehabilitated wastewater main

KUB Century II Program

Century II is KUB's long-range program to improve and maintain our utility systems for our customers. It will help move KUB into our second

century of service through sound planning, resource allocation, and continued or accelerated investment. Century II reflects KUB's commitment to provide reliable utility services and meet customers needs—now and in the future. Anticipating and addressing needs now provides long-term benefits. Visit www.kub.org for more details about the Century II program.
