

Sequoyah Hills Area Wastewater Rehabilitation Project

Project Information Sheet

Project Scope

- KUB and its contractor will replace older wastewater pipe in Sequoyah Hills
- Wastewater pipes replaced about 20 years ago when the stormwater and wastewater systems were separated are still within their useful lifespan and do not need to be replaced as part of this project
- Overall project will be completed in three phases
- Phase 1 will begin in fall 2017 and last for approximately one year
- Phases 2 and 3 will follow, with all three phases projected to be complete by late 2020
- Final paving to be done by fall 2021

Project Details

- General sequence of construction:
 - Mobilize crews and equipment
 - Construction methods
 - Open cut excavation and replacement
 - Cured-in-place lining of existing pipe
 - Pipe bursting existing pipe
 - Test rehabilitated wastewater main
 - Connect customer service laterals
 - Right-of-way restoration and stabilization
- 18 miles of wastewater pipe to be rehabilitated:
 - **Phase 1** - Five miles
 - **Phase 2** - Seven miles
 - **Phase 3** - Six miles
- Temporary lane closures may be required in the immediate work areas to facilitate safe access for workers, equipment, and vehicles
- Lanes will reopen to traffic outside of the listed work hours as conditions allow
- Property restoration
 - Temporary restoration with straw matting or seed and straw
 - Final clean-up and restoration will occur once all work is completed in the area

Project Schedule for Phase 1

- September 19, 2017: **Public meeting - 6:30 p.m. at Sequoyah Hills Presbyterian Church/Barron Fellowship Hall**
- October 2017: Customer notification mailing
- November 2017: Construction begins; 12 month project (weather permitting)
- Project update mailings prior to start of Phases 2 and 3
- Construction Schedule: Generally Monday-Friday during daylight hours
- Work schedules adjusted for major holidays

KUB Century II Program

Century II is KUB's long-range program to improve and maintain our utility systems for our customers. It will help move KUB into our second

century of service through sound planning, resource allocation, and continued or accelerated investment. Century II reflects KUB's commitment to provide reliable utility services and meet customers needs—now and in the future. Anticipating and addressing needs now provides long-term benefits. Visit www.kub.org for more details about the Century II program.
