

Southgate Road Water Main Replacement Project

Project Information Sheet and Map

Last updated on 12/13/16

Project Area

This project will upgrade a section of water main on Southgate Road, between the area just south of the Scenic Drive intersection to the Bluff View Road intersection. This Century II utility infrastructure project is being completed while Knox County Schools are out for the Winter Holiday to lessen the impact of daily traffic flow to and from Sequoyah Elementary.

Project Overview

- Water main replacement: 1,400 feet of 6-inch cast iron water main to be replaced with 8-inch ductile iron
- Fifteen customer water service line connections to the new main
- Two fire hydrant installations
- KUB will utilize two Underground Construction crews for this project, with one crew starting at the north end and working south while the second crew works from south to north

Project Details

- Safety of public and workers during this project is KUB's highest priority
- Construction methods include boring and open-cut trenching
- Existing mains and services will remain active until construction and tie-ins to new mains are complete
- KUB will coordinate planned service interruptions for tie-ins to the new main
- KUB will coordinate to maintain driveway ingress/egress
- Paving crews will follow construction crews in the work zone

Traffic Impacts

- Single lane closure December 17-19
 - flaggers present to maintain traffic flow
 - traffic control devices in place
- Full road and sidewalk closure beginning December 26, 2016
 - barricades and traffic control devices in place
- Electronic message boards will be in place at north and south ends of project to alert commuters to traffic conditions

Project Schedule

- December 17-19: Construction prep work, including saw cutting of asphalt
 - daily work hours 8 a.m. - 5 p.m. (*single lane closure*)
- Construction to begin on Monday, December 26, 2016 (*full road closure*)
- All utility construction scheduled for completion and the road reopened by Monday, January 9, 2017
- Work hours: 7 a.m. - 7 p.m.
- Some work may extend beyond 7 p.m. as construction conditions warrant

end of next business day.)

KUB Century II Program

Century II is KUB's long-range program to improve and maintain our utility systems for our customers. It will help move KUB into our second century of service through sound planning, resource allocation, and continued or accelerated investment. Century II reflects KUB's commitment to provide reliable utility services and meet customers' needs—now and in the future. Anticipating and addressing needs now provides long-term benefits. Visit www.kub.org for more details about the Century II program.
