

**Knoxville Utilities Board
Wastewater Technical Specifications
Summary of Revisions
March 2019**

Note: This is only a brief summary of changes associated with the KUB's recent revision/update of selected waste water focused technical specifications. Interested parties are encouraged to thoroughly review and become familiar with these revised specifications prior to bidding KUB contracts.

These revisions are current as of 3/1/19. These revisions supersede previous versions unless otherwise stated.

02540 – Sewer Cleaning

- Informational submittals now include staff experience, equipment, traffic control plan, etc.
- Quality assurance updated to include contractor experience, general requirements of equipment, etc.
- The concept of normal/heavy cleaning to be clarified in measurement and payment section
- High velocity cleaning edited to now include a minimum of two passes
