Rescheduled Partial Closure of Bearden Village Greenway
For Electric System Work

Due to weather, the planned partial closure of Bearden Village Greenway has been rescheduled from 6 a.m., May 2, through 5 p.m., May 3. The closed section of greenway is located in the green space between the RecSports Complex on Sutherland Avenue and the Western Plaza Shopping Center on Kingston Pike. A detour is in place for this section of greenway, which will divert users to the section of Bearden Village Greenway that runs parallel with Sutherland Avenue. All other portions of the greenway will remain open.

KUB thanks City of Knoxville Parks and Recreation for its assistance with this project, and its customers for their cooperation. Customers with questions or concerns can call 558-2331 to leave a message that will be followed-up with a call from a KUB representative by the end of the next business day.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, gas, water, and wastewater services to more than 453,000 customers.
