Intermittent Suttree Landing Riverwalk Greenway Closures
For Wastewater System Work

KUB contractor crews will implement temporary closures on short sections of the Riverwalk Greenway in Suttree Landing Park through Friday, December 21, as part of wastewater system work in the area. Equipment, pipe materials, and vehicles associated with this work will be present in the immediate area where crews are working. There will be no designated detour available for the closed section of greenway.

Sections of the Riverwalk Greenway not affected by construction will remain open. Suttree Landing Park will also remain open.

KUB thanks City of Knoxville Parks and Recreation for its assistance with this project, and its customers for their cooperation. Customers with questions or concerns can call 558-2331 to leave a message that will be followed-up with a call from a KUB representative by the end of the next business day.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, gas, water, and wastewater services to more than 459,000 customers.
