Go Paperless and Get \$5 with KUB Paperless Billing *Enrolling is Easy in the New KUB Mobile App*

KUB customers who switch from a traditional paper bill to the paperless billing option are eligible to receive a \$5 gift card from popular retailers. Starting April 1, new enrollees who sign up for the program by May 31, 2021, may choose a gift card from one of 30 participating retailers.

It's never been easier to enroll in paperless billing and it's free. Customers can enroll online at www.kub.org or in the new KUB mobile app, which is available for both Apple and Android devices.

"With our website and new mobile app, there are more ways to access your KUB bill than ever before. This allows customers to make the choice to go paperless, reducing their paper-clutter at home and helping reduce paper usage in our community," said Elizabeth Hannah, KUB Manager of Executive Services and Environmental Stewardship. "Customers who go paperless will still receive emails and notifications when their bill is due without needing to visit their mailbox. This is a win for customer convenience and for the environment."

Customers who enroll in Paperless Billing will also receive the following benefits:

- An e-mail* when their bill posts each month, including the amount due and due date
- A courtesy reminder two days before their bill is due
- Secure online access to 18 months of their bills
- Secure payment options that allow them to pay online or by phone
- Peace of mind - no worries about bills being lost or stolen by identity thieves

Among the 30 retailers participating in the campaign are Walmart, Amazon, and Panera Bread.**
