Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(North Knoxville) Road Closure – Dutch Valley Road [Overnight, January 16-17] –

KUB crews will implement a closure of a short section of Dutch Valley Road at Holland Road & Ridge Grove Road overnight from 9 p.m., Thursday, January 16, through 6 a.m., Friday, January 17, as work is performed on both the water distribution and wastewater collection systems in the area. Access to Holland Road will be maintained. Alternate routes include Plummer Road, Adair Drive, N. Broadway, Old Broadway, and Bruhin Road. Follow-up advisories will be issued as necessary.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
