Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

**(Emory Place) N. Broadway Lane Closure [Overnight, September 12-13]** – KUB crews will implement a lane closure of the northbound lane of N. Broadway between N. Central Street and Lamar Street overnight from 10 p.m., Thursday, September 12, through 5 a.m., Friday, September 13, as work is performed on the water distribution system in the area. Northbound traffic will be directed through the turn lane, and the southbound lane will remain open. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 461,000 customers.*
