

## TRAFFIC ADVISORY

June 28, 2022

To: Local Media Representatives

From: KUB Communications & External Relations

Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

**(Downtown) W Church Avenue/S Gay Street Lane/Sidewalk/Crosswalk Closures [Overnight, June 29-30]** – KUB crews will implement the following lane, sidewalk, and crosswalk closures in the downtown area overnight starting at 9 p.m., Wednesday, June 29, and lasting through 5 a.m., Thursday, June 30, as work is performed on the underground electric system:

- Eastbound W. Church Avenue between S Gay Street and State Street
- Righthand turn lane from S Gay Street on to W Church Avenue
- South crosswalk at S Gay Street/W Church Avenue intersection
- East crosswalk at W Church Avenue/S Gay Street intersection

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 473,000 customers.*
