Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(North Knox) Dry Gap Pike Road Closure [May 8] – KUB crews will close a short section of Dry Gap Pike to through traffic between Sanford Road and Haynes Sterchi Road from 6 a.m. – 4 p.m., Saturday, May 8, as work is performed on the wastewater collection system in the area. Alternate routes include Sanford Road and Haynes Sterchi Road. Local access will be maintained, and follow-up advisories will be issued as necessary.

(Fountain City) N. Broadway Lane Closure [Overnight, May 9-10] – KUB crews will close the southbound, curbside lane of N. Broadway between Hotel Road and Gibbs Road overnight from 10 p.m., Sunday, May 9, through 5 a.m., Monday, May 10, as work is performed on the water distribution system in the area. One southbound lane, the center turn lane, and both northbound lanes will remain open. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 468,000 customers.
