Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

**(Powell) E. Emory Road Lane Closure [March 26-27]** – KUB crews will close a short section of the westbound, curbside lane of E. Emory Road between Pedigo Road and Bishop Road from 9 a.m. – 3 p.m., on both Tuesday, March 26, and Wednesday, March 27, as work is performed on the electric distribution system in the area. One westbound lane, the center turn lane, and both eastbound lanes will remain open, as will turn access to area driveways. Flaggers will be on site to assist with traffic control. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 459,000 customers.*
