Re: Traffic Advisory – Lane/Road Closure for Utility Work [All closures and work are weather permitting]

(North Knoxville) E. Inskip Drive Road Closure [October 16-20] – KUB contract crews will close a short section of E. Inskip Drive between High School Road and Coster Road daily, Monday-Friday, from 9 a.m. – 2:30 p.m., starting Monday, October 16, through Friday, October 20, as work is performed on the wastewater collection system in the area. Alternate routes include Coster Road, Highland Drive, Scheel Road, High School Road, and Glenoaks Drive. All lanes will reopen outside of work hours. Local traffic access to driveways will be maintained, and flaggers will be on site to assist with traffic control.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 453,000 customers.
