Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(East Knoxville) Road Closures [Weekdays, April 14 – May 15]** – KUB contract crews will implement closures weekdays (excluding holidays) between 7 a.m. – 7 p.m. on the below roadways for ongoing wastewater collection system work in the area:

- Yankee Street between Asheville Highway and Nash Road
- Ault Street between Asheville Highway and Holston Drive
- Carta Drive between Silva Road and Asheville Highway
- Holston Drive at Ault Street between Dallas Street and Meadow View Road

Local traffic access will be maintained, and all areas will not be impacted at one time. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
