Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

(North Knox) Edgewood Avenue at Bellevue Street Road Closure (Immediate, June 16, 2023) – KUB crews have closed a short section of Edgewood Avenue at the Bellevue Street intersection for water main repairs. This closure is expected to remain in effect through this afternoon. Follow detour signs for alternate routes. Follow-up advisories will be issued as needed.

Some closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, fiber, natural gas, water, and wastewater services to more than 478,000 customers.
