

TRAFFIC ADVISORY

July 23, 2021

To: Local Media Representatives

From: KUB Communications and External Relations

Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Fort Sanders) Forest Avenue Road Closure [July 26] – KUB crews will close Forest Avenue between Nineteenth Street and Eighteenth Street to traffic from 8 a.m. – 3 p.m., Monday, July 26, as work is performed on the water distribution system in the area. Alternate routes include Grand Avenue, Eighteenth Street, Forest Avenue, and Highland Avenue. On-street parking will also be closed during this time. Follow-up advisories will be issued as necessary.

(Sequoyah Hills) Traffic Impacts [July 26- July 30] – KUB contract crews will implement the below traffic control measures as indicated daily from 7 a.m. – 7 p.m., Monday, July 26, through Friday, July 30, as work continues on the wastewater collection system in the area:

- Temporary Road Closures
 - Hillvale Circle between 3606 Hillvale Circle and 3608 Hillvale Circle
 - Kenesaw Avenue between Cherokee Boulevard and Westerwood Avenue
 - Keowee Avenue between Cherokee Boulevard and Iskagna Drive

Residential access will be maintained, and through traffic should follow the onsite detours. Follow-up advisories will be issued as necessary

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 471,000 customers.
