Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(North Knoxville) Road Closure – Gap Road [May 6]** – KUB crews will close a short section of Gap Road to traffic between Cassell Drive and Lantana Lane from 8 a.m. – 4 p.m., Thursday, May 6, as work is performed on the wastewater collection system in the area. Alternate routes include Wilson Road, Pleasant Ridge Road, Western Avenue, Texas Avenue, and Ohio Avenue. Friday, May 7, will be used as a rain date if necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 468,000 customers.*
