Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(Fort Sanders) Road Closure - James Agee Street [January 8-9] – KUB crews will implement a closure of a short section of James Agee Street between White Avenue and Clinch Avenue from 3:30 – 10 p.m. on Wednesday, January 8, and Thursday, January 9, as work is performed on the natural gas distribution system in the area. Alternate routes include White Avenue, Sixteenth Street, Clinch Avenue, and Fourteenth Street. Access to area businesses will be maintained, and flaggers will be on site to assist with traffic control.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
