Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(West Knoxville) Kingston Pike Lane Closure [April 7] – KUB crews will close the curbside, eastbound lane of Kingston Pike between S. Gallaher View Road and Walker Springs Road from 9 a.m. – 2 p.m., Tuesday, April 7, as work is performed on the water distribution system in the area. One eastbound lane, the center turn lane, and both westbound lanes will remain open, as will turn access to area businesses. Wednesday, April 8, will be used as a rain date if necessary.

<p>Tennessee's Move Over Law requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.</p>

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.
