Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(West Knoxville) Kingston Pike Lane Closure [Overnight, April 16-17, 18 & 19]** – KUB crews will close both eastbound lanes and the center turn lane of Kingston Pike between S. Gallaher View Road and Walker Springs Road as indicated below as work is performed on the water distribution system in the area:

- Overnight from 6 p.m., Thursday, April 16, through 6 a.m., Friday, April 17
- Daily 6 a.m. – 4 p.m. on Saturday, April 18, and Sunday, April 19

Eastbound traffic will be shifted to a westbound lane, and one westbound lane of traffic will be maintained. Flaggers will be on site, and access to area businesses will be maintained.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.
