

## TRAFFIC ADVISORY

June 2, 2020

To: Local Media Representatives

From: KUB Communications

Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

**(Westlyn) Luscombe Drive Road Closure [Weekdays, June 3-12]** – KUB crews will implement a closure of Luscombe Drive between Morrell Road and Moneta Road weekdays from 7:30 a.m. – 3:30 p.m., starting Wednesday, June 3, through Friday, June 12, as work is performed on the electric distribution system in the area. Alternate routes include Westland Drive and Cessna Drive, and access will be maintained for residents in the immediate work zone.

**(West Knox) Kingston Pike Lane Closure [June 4]** – KUB crews will implement a closure of the curbside, westbound lane of Kingston Pike between Carr Street and Northview Street from 9 a.m. – 3 p.m., on Thursday, June 4, as work is performed on the water distribution system in the area. One westbound lane, the center turn lane, and both eastbound lanes will remain open as will access to area driveways. Friday, June 5, will be used as a rain date if necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

*KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 464,000 customers.*
