## TRAFFIC ADVISORY

December 16, 2022

To: Local Media Representatives

From: KUB Communications & External Relations

Re: Traffic Advisory – Lane/Road Closures for Utility Work [All closures are weather permitting]

### **McPhearson Street Lane Closure (December 19-21)**

KUB crews will implement lane closures on McPhearson Street between Sycamore Drive and Texas Avenue from 9 a.m. – 5 p.m. starting Monday, December 19, 2022, through Wednesday December 21. Lane closures will be limited to the immediate area where crews are working. Crews will maintain one open lane to alternate traffic flow. Access to connecting side streets will also be maintained. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at [www.kub.org](http://www.kub.org).

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.
