Re: Traffic Advisory – Lane/Road Closure Utility Work [All closures and work are weather permitting]

(West Knox) Middlebrook Pike Lane Closure [August 18 & 19] – KUB crews will close a short section of the curbside, westbound lane of Middlebrook Pike between Third Creek Road and Ed Shouse Drive from 9 a.m. – 3 p.m. on Wednesday, August 18, and Thursday, August 19, as work is performed on the electric distribution system in the area. The one westbound and both eastbound lanes will remain open. Follow-up advisories will be issued as necessary.

Some listed closures may extend beyond the scheduled times depending on the conditions encountered during excavation and construction. Appropriate traffic control measures will be in place at each location to assist motorists traveling in these areas. Due to the ongoing presence of workers and equipment, motorists are advised to use caution and expect temporary delays in these areas. More information on this and other KUB construction projects can be found at www.kub.org.

Tennessee's **Move Over Law** requires motorists approaching a utility vehicle with flashing lights to move over if safe to do so, creating an empty lane buffer. When changing lanes is not possible, motorists must reduce speed.

KUB is a municipal utility serving Knox and parts of seven adjacent counties and provides electric, natural gas, water, and wastewater services to more than 471,000 customers.
